this book strives to emulate the methodology of the man himself by ranging over not only the films he has made from 1979 s The Jericho Mile to 2015 s Blackhat but also the scope of intellectual interests that they exemplify in an attempt to mine the commonalities themes and traits that may suggest the presence of an auteur Through his investigation of Mann s filmography and the personality that flows through it author Deryck Swan provides the reader with accessible and new ways of thinking about his films to date including amongst myriad other things references to painter Morris Louis desert modernism West Coast prison culture Chicago Mayor Richard M Daley Strain Theory journalist Mike Royko Chicago s Auditorium building and a largely forgotten Charles Bronson film

**Incoherent Empire** Michael Mann, 2020-05-05 In this book noted sociologist Michael Mann argues that the new American imperialism is actually a new militarism Dissecting the economic political military and ideological resources available to the US Mann concludes that they are so uneven as to generate only an incoherent empire and increasing world disorder The US is a military giant though it is better at devastating than pacifying countries It is a political schizophrenic its personality split between multilateralism unilateralism and an actual inability to rule over foreign lands or to control its own supposed client states It is only a backseat driver of the global economy It cannot steer it but it prods poorer countries toward an unproductive and unpopular neo liberalism

His work has had a major impact in sociology, history, political science, international relations, and other social science disciplines. In this volume, his work has been systematically and critically assessed by distinguished scholars who take stock of Mann's overall method and of his account of particular periods and historical cases. About the Author: First-time author Michael Mann lives in Herzlia, Israel, where he enjoys music, cinema, and travel. He is currently writing his next book. Author website: <http://sbpra.com/MichaelMan>. **Off the Map** Niles Schwartz, 2018-06-11 A motion picture chronicling the last adventures of bank robber John Dillinger. Johnny Depp's *Public Enemies* was met with much bafflement upon its 2009 release. Director Michael Mann's terse storytelling and unorthodox use of high-definition digital cameras challenged viewers' familiarity with Hollywood's historical gangland elegance while highlighting *Public Enemies'* own place in a medium and culture undergoing sweeping technological change. In *Off the Map*, Niles Schwartz immerses us in Mann's representation of Dillinger, a subject increasingly aware of his own role as a romanticized frontier folk hero in flight from an enveloping bureaucratic system. The cultural issues of Dillinger's 1930s anticipate the 21st-century watershed moment for the moving image as our relationship with the pictures surrounding us increasingly affects our own sense of identity, historical truth, and means of relating to each other. Mann's follow-up to the hacker thriller *Blackhat* (2015) reflects a world where *Public Enemies'* abstract surveillance state has since colonized the firmament of our everyday lives. Yet in this virtual labyrinth of surplus images, cinema may inwardly illuminate a transformative path for us. *Off the Map* places Mann's late works in deep focus, exploring our present relationship to cinema on a backdrop that swings from the blockbuster spectacle of *Avatar* to the curious intimacy of *Moonrise Kingdom*, ultimately suggesting the mysterious space between the viewer and the screen may yet become a sanctuary of deep spiritual reflection. [Heat 2](#) Michael Mann, Meg Gardiner, 2023-06-27 Michael Mann, four-time Oscar-nominated filmmaker and writer-director of *Heat*, *Collateral*, *Thief*, *Manhunter*, and *Miami Vice*, teams up with Edgar Award-winning author Meg Gardiner to deliver Mann's first crime novel, an explosive return to the world and
