BookLiberationFrontAbout the title A verst is a unit of measure If you read Michael Strogoff you will quickly become well versed in versts since Jules Verne uses the word on nearly every page of the novel Besides the minor annoyance with the use of the word Verst Michael Strogoff is a fine adventure novel epic While it should not be confused with Verne s typical works of science fiction it is an adventure epic Other reviewers have complained about Verne s character development but Verne acknowledged throughout his career that he purposely skimmed on character detail If you want detailed characters read Henry James the styles of the authors could not be any more different The writing style is a little sloppier than typical Verne it appears to have been rushed and poorly edited but it is passable However Verne is rarely read for the simple appreciation of his wordmanship and he will never be compared to his friend Alexander Dumas Michael Strogoff is one Verne s better plots while it is not the page turner of a Mysterious Island it is much better than some of his other lesser known works Measuring the Meridian and 800 Leagues down the Amazon come to mind Michael Strogoff The Courier of the Czar by Jules Verne
