

A top-down view of a gardening workspace. The background is a dark, textured surface, possibly a table or ground. Scattered around are several potted plants: a small green plant in a blue pot at the top left, a larger green plant in a brown pot at the top right, a basil plant in a brown pot at the bottom left, and another basil plant in a brown pot at the bottom right. There are also some seedlings in a black tray at the bottom center. Gardening tools are visible: a trowel with a wooden handle and a metal head is in the center, and a fork-like tool is on the left. A small pile of dark soil is in the center, and a small pile of light-colored soil is in the bottom center. The text "GARDENING TIPS FOR BEGINNERS" is written in large, bold, white capital letters across the middle of the image.
