## Ideas Cooking Recipes:

*Ideas in Food* Aki Kamozawa, H. Alexander Talbot, 2010-12-28 Alex Talbot and Aki Kamozawa husband and wife chefs and the forces behind the popular blog Ideas in Food have made a living out of being inquisitive in the kitchen. Their book shares the knowledge they have gleaned from numerous cooking adventures from why tapioca flour makes a silkier chocolate pudding than the traditional cornstarch or flour to how to cold smoke just about any ingredient you can think of to impart a new savory dimension to everyday dishes. Perfect for anyone who loves food Ideas in Food is the ideal handbook for unleashing creativity intensifying flavors and pushing one's cooking to new heights. This guide which includes 100 recipes explores questions both simple and complex to find the best way to make food as delicious as possible. For home cooks Aki and Alex look at everyday ingredients and techniques in new ways from toasting dried pasta to lend a deeper richer taste to a simple weeknight dinner to making quick micro stocks or even using water to intensify the flavor of soups instead of turning to long simmered stocks. In the book's second part Aki and Alex explore topics such as working with liquid nitrogen and carbon dioxide techniques that are geared towards professional cooks but interesting and instructive for passionate foodies as well. With primers and detailed usage guides for the pantry staples of molecular gastronomy such as transglutaminase and hydrocolloids from xanthan gum to gellan Ideas in Food informs readers how these ingredients can transform food in miraculous ways when used properly. Throughout Aki and Alex show how to apply their findings in unique and appealing recipes such as Potato Chip Pasta, Root Beer Braised Short Ribs and Gingerbread Souffl. With Ideas in Food anyone curious about food will find revelatory information, surprising techniques and helpful tools for cooking more cleverly and creatively at home.

[The Boat Galley Cookbook: 800 Everyday Recipes and Essential Tips for Cooking Aboard](#) Carolyn Shearlock, Jan Irons, 2012-09-28 No matter what anyone tells you boat cooking IS different from cooking ashore. The space is smaller, there's no grocery store 5 minutes away, you have fewer prepared foods and electric appliances and food storage is much different. Despite cruising different oceans we Jan and Carolyn both faced the same challenges eating well while having time to enjoy all the other great aspects of cruising. We love to snorkel, swim, kayak, explore and just sit and admire the view. We learned

with the cookbooks we both had aboard and wished for information that wasn't available like when Jan ended up with a frozen chicken complete with head and feet and no instructions on how to cut it up. When we couldn't get foods such as sour cream English muffins spaghetti sauce or yogurt we adapted recipes to make our own. Other times we experimented with substituting ingredients maybe the result wasn't identical but it was still tasty. We ended up with over 150 substitutions and dozens of make it yourself options. As we traded recipes and knowledge with each other we realized we were compiling information that became *The Boat Galley Cookbook*. 800 recipes made from readily obtainable ingredients with hand utensils including numerous choices to suit every taste not just one cake but 20-16 ways to prepare fish 10 regional barbecue sauces and so on. Step by step directions to give even non cooks the confidence they can turn out tasty meals without prepared foods. Detailed instructions on unfamiliar things like making yogurt and bread grilling virtually every food imaginable preparing and cooking freshly caught fish and seafood cutting up and boning meat cooking in a Thermos and baking on the stove top as well as lots of tips on how to do things more easily in a tiny moving kitchen. All this in an easy to navigate format including side tabs on the Contents to help you find your way and extensive cross reference lists at the end of each chapter. Quick Reference Lists provide idea starters suggestions of included recipes for such categories as Mexican Asian and Potluck. *The Boat Galley Cookbook* is designed to help you every step of the way. We hope it becomes a trusted reference on your boat and a source of many enjoyable meals.
