Nuevo León, a government history Israel Cavazos Garza,2006 , **Delirio—The Fantastic, the Demonic, and the Réel** Marie Theresa Hernández,2010-01-01 Striking inexplicable stories circulate among the people of Nuevo Leon in northern Mexico Stories of conversos converted Jews who fled the Inquisition in Spain and became fabulously wealthy in Mexico Stories of women and children buried in walls and under houses Stories of an entire secret city hidden under modern day Monterrey All these stories have no place or corroboration in the official histories of Nuevo Leon In this pioneering ethnography Marie Theresa Hernández explores how the folktales of Nuevo Leon encode aspects of Nuevolenese identity that have been lost repressed or fetishized in legitimate histories of the region She focuses particularly on stories regarding three groups the Sephardic Jews said to be the original settlers of the region the disappeared indigenous population and the supposed barbaric society that persists in modern Nuevo Leon Hernández's explorations into these stories uncover the region's complicated history as well as the problematic and often fascinating relationship between history and folklore between officially accepted facts and fictions that many Nuevoleneses believe as truth **Nuevo Leon, the Best Option to Invest**
