Nuits Noires:

Nuits Noires Monica Valret, 2014-01-10 Depuis quatre ans Julien vit sous les ponts avec pour seule compagnie un chien nommé Biquet Clochard volontaire la suite d'un drame familial qui l'a anéanti il n'aspire plus qu'à la paix et l'oublie Cependant sa découverte sur les berges d'un cadavre atrocement mutilé va bouleverser le cours de son destin Pour quelles raisons le misanthrope SDF acceptera-t-il d'aider la police Quels liens unissent quatre petits voyous issus des cités un riche retraité vivant dans les quartiers résidentiels C'est ce qu'ils découvriront les inspecteurs Gilles Lherbier et Philippe Gaget en entrouvrant les portes de l'enfer

Wild Night Floran Cazeau, 2013 I had not gone anywhere while still being at the same corner of the great boulevard observing life in its colors its good or annoying notes and its rhythm I'm still in the same convoy of the living and the dead looking at me and observing you at the same time without any of us perceiving each other in this dull tumult that engorges us and hypnotizes us I greet you all and I come back with the same smile and another bunch of poems that is none other than notes of joy sorrow and love that sound and resound in our daily life In any case these notes do not rhyme with your taste or please your whim I apologize because I did not invent them as they fall naturally within the scope of my poetic contemplation They come to me and it is my duty to host them and distribute them all in their folly and naive naturalism As always I do not force you but I invite you to read this book and find the notes that resemble you or remind you of a life living experience even a friend or forgotten memories

Nuits De Melancolie, Jours D'Ivresse (Part 1)
Nights of Melancholy, Drunken Days (Part 2) Floran Cazeau, 2017-05-23 This book is a message to the reader telling him/her who I am and how I perceive life and this world that we human beings share This book depicts everything that my soul feels throughout my entire existence which is why I call myself a chanter of life and everything evolved from it I sing death love and all things that arouse my senses and my mind O I must be thankful to the great Almighty for the energy he blew on me when I thought I was already finished certainly for the breath like ether that spreads out of me without it ever evaporates Yes I must say thanks to the holy Lord for he has tied me to you all O human brothers by my pen and the mutual warmth that bonds us
