Nuns and Soldiers [a Novel Iris Murdoch,1981 **Nuns and Soldiers Counter Display** Iris Murdoch,1982-02-25

Nuns of the Battlefield Ellen Ryan Jolly,1927 The history of the religious communities represented among the sister nurses who ministered to the soldiers in the Civil War Foreword "1812" *Napoleon I in Russia* Vasilii Vasil'evich Vereshchagin,1899 **Buffalo Soldiers** William C. Moton,2014-09-30 Captain Gilmore an African American officer and Jenkins Craves an old buffalo soldier with combat experience make an odd duo But together they serve one mission At the height of the Mexican Revolution they are commanded to transport Lieutenant Calderon and several other Mexican prisoners

to make an exchange for American prisoners The mission should be simple with the Americans being held in a small town a few days ride from the pair s location but as Gilmore soon finds nothing is simple south of the border Their team meets a young woman who travels alone to collect the belongings of a relative a soldier shot dead by Mexican federal soldiers Gilmore feels the need to protect this woman so she joins their team It s a good thing too as they are soon attacked by bandits the Mexican Federal Army and a variety of no good turncoats Despite these hazards Gilmore and Craves are determined to complete their mission and save American lives but who will save them *The Downside Review*,1929

The Exchange of Princesses Chantal Thomas,2015-07-07 Set in the French and Spanish courts of the eighteenth century this novel is based on a true story about the fate of two young princesses caught in the intrigues and secrets of the moment Philippe d Orlans the regent of France has a gangrenous heart the result of a life of debauchery alcohol power and flattery One morning in 1721 he decides to marry eleven year old Louis XV to the daughter of Philippe V of Spain who is only four Orlans hopes this will tie his kingdom to Spain But were Louis to die without begetting an heir the likeliness of which is greatly increased by having a child bride Orlans himself would finally be king Orlans tosses his own daughter into the bargain the twelve year old Mlle de Montpensier who will marry the Prince of Asturias the heir to the Spanish throne The Spanish court enthusiastically agrees and arrangements are made The two nations trade their princesses in a grand ceremony in 1722 making bonds that should end the historical conflict Nothing turns out as expected Macmillan's Magazine ,1885 "1812" Vasilii Vasil'evich Vereshchagin,1899 The following pages are not offered to the reader as a history of the invasion of Russia by Napoleon They are but the statement of the basis of observation on which M Verestchagin has founded his great series of pictures illustrative of the campaign These pictures are now to be exhibited in this country and the painter has naturally desired to show us from what point of view he has approached the study of his subject one of the greatest subjects in the whole range of history especially for a Russian artist The point of view is inevitably in his case that of the Realist and this consideration gives unity to the conception of his whole career and endeavour He has ever painted war as it is and therefore in its horrors as one of its effects though not necessarily as an effect sought in and for itself He has tried to be true in all his representations of the battle field His work may thus be said to constitute a powerful plea in support of the Tsar s Rescript to the Nations in favour of peace My meaning will be best illustrated by a short sketch of M Verestchagin and his work as painter as soldier and as traveller **Schoolboy to Soldier 1935-1945** Clement Hoyle,2006 Schoolboy to Soldier is the story of how a boy of 14 years old joined the Army and became a soldier of the Second World War It embraces enlistment and training with special emphasis on the almost impossible standards set by the workshops
