Year One John Cepoi,2023-10-06 In today's world filled with instant gratification and a monotonous strive to be mediocre we've forgotten what success means Lots of people have different answers Discipline consistency motivation passion etc But the problem is they don't last And there is a very simple reason for it By themselves they will never get you to achieve greatness Instead think of them as ingredients to a recipe The result of that recipe when properly cooked is a habit It is within habits that we can find our inner transformation to the meaning in our lives But it's as easy as you may think You've been lied to by so called gurus that building a habit doesn't take long Year One aims to demystify all those lies and give you a step by step game plan to follow Start building habits which will stick and improve your life forever
