Gomez, 2013-08-16 En este libro el Arzobispo Jos Gomez ofrece algunas ideas pr cticas personales y llenas de entusiasmo al debate nacional sobre inmigraci n se alando el camino a la recuperaci n de los grandes ideales de Estados Unidos de Am rica La inmigraci n es uno de los grandes retos de los derechos humanos en nuestra generaci n Es tambi n un momento hist rico decisivo para Estados Unidos en el cual necesitamos renovar a nuestro pa s seg n sus promesas fundacionales sobre los derechos universales enraizados en Dios La inmigraci n no se trata solamente de inmigraci n Se trata de renovar el alma de Estados Unidos Monse or Jos H Gomez **La sabiduría de la muerte** Rafael Pavia, 2021-09-07 Todos quisi ramos tener la certeza de que existe la eternidad de que nuestro destino no se para en seco cuando la parca viene a recogernos Como recurso ante el olvido de la cultura occidental de la tan temida muerte tenemos las ense anzas del Bardo Th dol o Libro tibetano de los muertos venidas del viejo T bet donde se nos muestra lo que es la luz clara que el difunto experimenta despu s de pasar por el bardo o doloroso tr nsito de la muerte Rafael Pav a nos acerca estas ense anzas trascendentales y enlaza en este libro los estados de vigilia sue o y sue o profundo para descubrir la naturaleza original de nuestro Ser y comprender el esp ritu de la vida Este texto imprescindible explica tambi n la relevancia que el sue o tiene sobre nosotros para comprender toda su fenomenolog a incluidos los sue os l cidos lo que nos llevar al despertar pleno de nuestra conciencia as como a entrenarnos y prepararnos para el examen final que enfrentaremos al final de nuestro d as *OBRAS LITERARIAS* José Martí, 1909 *Crianza Responsiva* Dr. Boyd D. Brooks, 2020-09-01 This book identifies five problem areas in parenting that if left unchecked will produce problems in adolescence They are a Isolation b Unrestrainedness c no boundaries d poor parental accessibility e shame The antidote for all five are connection self control good boundaries accessibility to the parents and the parents ability to mitigate shame in their children s lives One of the primary differences between families who enjoy each other and families who do not enjoy each other is the way they approach conflict Reactive families do not possess the skills to resolve conflict while responsive families do All around us are adolescents who are isolated with little self control over their emotions They easily get into trouble because of poor parental boundaries and subsequently experience shame They do not have accessibility to their parents and do not know how to resolve their conflicts and confusion Young parents can avoid these

deadly pitfalls beginning at the toddler stage by parenting in a responsive way They will raise children who know how to interact with others control their emotions respect and accept good boundaries enjoy accessibility with their parents and know how to mitigate shame when it occurs in their lives The reactive family is literally going in circles Their cyclical reactive patterns include inattentiveness misunderstanding put downs rejection shame and isolation They can be disconnected angry and resentful They are on an emotional merry go round and do not know how to get off On the other hand the responsive family has learned how to stop the cycle They have employed listening understanding and clarification When they apologize it means something When they forgive they do not bring it up again Instead of being rigid they have learned to be flexible They are connected and forgiving As a result they are emotionally strong and respectful of each other They enjoy spontaneous moments in a mutually satisfying way This book helps the reader identify deadly patterns that are draining the life out of their relationships and presents change as a real possibility With the use of metaphors and word pictures the reader can see both kinds of families but also learn how to introduce change into their family the kind of change that is not easy but is transformative Parenting is a daunting task especially if you re young and inexperienced Today many parents find themselves disconnected from their children and overwhelmed with a sense of helplessness There are two basic approaches to parenting that can be used reactive parenting and responsive parenting Reactive parenting so prevalent in today s society is done in reaction to something whether a whining child or a parent s own anxiety It is impulsive and produces poor results As more and more young people reach adulthood without an adequate model of self regulation and conflict resolution the more visible this problem becomes On the other hand Responsive Parenting as described in Boyd s book is a principled approach to parenting It emphasizes the importance of preparing children for adulthood Responsive parenting is thoughtful and is in response to the child s best interests It takes the long view It listens and clarifies It apologizes and forgives It is flexible and extends freedom with responsibility It is accepting and affirming while being connected and supportive Boyd Brooks shows readers through easy to understand biblical principles how to build self esteem and confidence in their children and help them discover who they were meant to be
