## Nurses War:

**And If I Perish** Evelyn Monahan, Rosemary Neidel-Greenlee, 2004-11-09 In World War II 59 000 women voluntarily risked their lives for their country as U S Army nurses. When the war began some of them had so little idea of what to expect that they packed party dresses but the reality of service quickly caught up with them whether they waded through the water in the historic landings on North African and Normandy beaches or worked around the clock in hospital tents on the Italian front as bombs fell all around them. For more than half a century these women's experiences remained untold almost without reference in books historical societies or military archives. After years of research and hundreds of hours of interviews Evelyn M Monahan and Rosemary Neidel Greenlee have created a dramatic narrative that at last brings to light the critical role that women played throughout the war. From the North African and Italian Campaigns to the Liberation of France and the Conquest of Germany U S Army nurses rose to the demands of war on the frontlines with grit humor and great heroism. A long overdue work of history And If I Perish is also a powerful tribute to these women and their inspiring legacy.

**Women at War** Elizabeth Norman, 2010-08-03 Norman tells the dramatic story of fifty women members of the Army Navy and Air Force Nurse Corps who went to war working in military hospitals aboard ships and with air evacuation squadrons during the Vietnam War. Here in a moving narrative the women talk about why they went to war the experiences they had while they were there and how war affected them physically emotionally and spiritually.

*The War Nurse* Tracey Enerson Wood, 2021-07-06 Any readers who enjoyed the mix of romance intrigue and medical accuracy of Call the Midwife will love The War Nurse New York Journal of Books. An impeccably researched well drawn based on a true story tale written by a former RN The War Nurse shines an important light on a woman whose story was until now lost to time. Kristin Harmel New York Times bestselling author of The Book of Lost Names Based on a true story The War Nurse is a sweeping historical novel by USA Today bestselling author Tracey Enerson Wood that takes readers on an unforgettable journey through WWI France. She asked dozens of young women to lay their lives on the line during the Great War. Can she protect them? Superintendent of Nurses Julia Stimson must recruit sixty four nurses to relieve the battle worn British months before American troops are ready to be deployed. She knows that the young nurses serving near the front lines will face a challenging situation but nothing could have prepared her for the chaos that awaits when they arrive at British Base Hospital 12 in Rouen France. The primitive conditions a convoluted ineffective system and horrific battle wounds are enough to discourage the most hardened nurses and Julia can do nothing but lead by example even as the military doctors undermine her authority and make her question her very place in the hospital tent. When trainloads of soldiers stricken by a mysterious respiratory illness arrive one after the other overwhelming the hospital's limited resources and threatening the health of her staff Julia faces an unthinkable choice to step outside the bounds of her profession and risk the career she has fought so hard for or to watch the people she cares for most die in her arms. Fans of Martha Hall Kelly's Lost Roses and Marie Benedict's Lady Clementine will

devour this mesmerizing celebration of some of the most overlooked heroes in history the fierce determined and brave nurses who treated soldiers in World War I Praise for The War Nurse Through careful research this book shows the incredible bravery and compassion of women who find themselves in extraordinary situations Julia Kelly international bestselling author of The Last Garden in England and The Light Over London A rich gripping history of one woman's lifelong battle against systemic prejudice Stewart O'Nan award winning author of The Good Wife Once again Tracey Enerson Wood with her impeccable research and evocative prose kept me glued to the page Wood has a talent for bringing strong yet lesser known women from history to life Linda Rosen author of The Disharmony of Silence A riveting and surprisingly timely story of courage sacrifice and friendship forged at the front lines Kelly Mustian author of The Girls in the Stilt House If you like me are a voyeur of historical drama that unfolds as if the kitchen window flew open and the characters were caught in action then The War Nurse is for you Diane Dewey author of Fixing the Fates Fans of Patricia Harman will love Wood's treatment of medical expertise in a historical setting Booklist **They Called Them Angels** Kathi Jackson, 2000-06-30 A topical presentation of firsthand accounts from some of the thousands of army and navy nurses who served both stateside and overseas during World War II this book tells the stories of the brave women who used any and all resources to save as many lives as possible Although military nurses could have made more money as civilians thousands chose to leave the warmth and security of home to care for the young men who went off to war They were not saints but vibrant women whose performance changed the face of both military and civilian nursing Jackson's account follows both army and navy nurses from the time they joined the military through their active service to their lives today The jobs done by military nurses were valuable and varied Some worked in clean stateside hospitals Some found themselves nursing in tents or bombed out buildings Others entered hospitals so recently occupied by Axis forces that Nazi propaganda still covered the walls While often treating ordinary accidents and illnesses they were responsible for men with wounds so disfiguring that it took all of their willpower to maintain the hopeful attitude that the men so desperately required From the humorous account of a nurse in her forties who joined the war effort despite the smirks of those much younger to the sorrow shared when men and women were separated and became prisoners of war these are the stories of women who lived under extraordinary circumstances in an amazing time women who even today bear emotional scars along with their lasting pride **Vietnam War Nurses** Patricia Rushton, 2013-04-17 Eighteen nurses who served in the United States military nurse corps during the Vietnam War present their personal accounts in this book They represent all military branches and both genders They served in the theater of combat in the United States and in countries allied with the U.S. They served in front line hospitals hospital ships large medical centers and small clinics They speak of caring for casualties during a conflict filled with controversy and of patriotism of the nursing profession of travel and the adventure of friendship and love **G.I. Nightingales** Barbara Tomblin, 1996-01-01 Recounts the history of the Army Nurse Corps whose members served with but not in the armed forces

and describes the experiences of nurses in every theater of World War II including the special situation faced by African American nurses **Nurses in War** Elizabeth Scannell-Desch, Mary Ellen Doherty, 2012-04-23 Print CourseSmart

**Nurses After War** Mary Ellen Doherty, Elizabeth Scannell-Desch, 2016-07-05 Based on candid interviews with 35 nurses who were deployed for the wars in Iraq and Afghanistan this is the first book to reveal the stresses and moral dilemmas they experienced as they transitioned back into everyday life The nurses share their difficulties with family separation clinical reassessments post traumatic stress disorder the perceived stigma of seeking mental health counseling and compassion fatigue They describe how doing nursing in a war zone changed them personally and expanded their nursing skills and how reintegration was more difficult than they had anticipated In addition to serving as a personal account of the experiences both individual and collective of these military nurses the book will serve researchers as a compelling example of qualitative phenomenological and descriptive research Interviewees describe in vivid detail their homecoming family adjustments renegotiation of spousal and parenting roles domestic and workplace challenges and many other dilemmas posed by the reintegration process They provide insights and thoughtful recommendations for changes to current military debriefing to improve the experiences of future wartime nurses Encompassing all three branches of the military the book also examines the differences between active duty services and reserve unit services issues of substance abuse the Veterans Administration the burden of multiple deployments and other common threads among nurses who served in Iraq and Afghanistan **KEY FEATURES** Provides vivid narrative accounts of nurses reintegration experiences Delivers the first research study of nursing reintegration which includes Army Navy and Air Force Nurse Corps officers following deployment in the Iraqi and Afghani Conflicts Demonstrates how a comprehensive qualitative nursing research study can be crafted into a highly accessible compelling account Explores the personal and professional paths of 35 nurses returning from war Addresses the reintegration differences between active duty versus reserve status *Easing Pain on the Western Front* Paul E.

Stepansky, 2019-12-13 World War I is regarded as the first modern war driven by fearful new technologies of mechanized combat The unprecedented carnage rapidly advanced military medicine transforming the nature of wartime caregiving and paving the way for modern nursing practice Drawing on firsthand accounts of American nurses as well as their Canadian and British counterparts historian Paul E Stepansky describes nurses encounters with devastating new forms of injury wounds from high explosive artillery shells poison gas burns shell shock the Spanish Flu Comparing nursing practice on the western front with nursing care during the American Civil War the Spanish American War and the Anglo Boer War the author is especially attentive to the emergent technologies employed by nurses of the Great War **Civil War Nurse** John R. Brumgardt, 2025-03-14 The chief nurse of the Union Hospital in Washington D C describes life and stress in the hospital and comments on notable persons of power Her heretofore unpublished diary and letters comprise a fresh highly significant document concerning the medical history of the Civil War and the contributions of women nurses in the Northern military

hospitals This book is edited with Introduction and Commentary by John R Brumgardt Officer, Nurse, Woman Kara Dixon Vuic, 2010-01-01 Winner 2010 Lavinia L Dock Award American Association for the History of Nursing An American Journal of Nursing Book of the Year in History and Public Policy I never got a chance to be a girl Kate O Hare Palmer lamented thirty four years after her tour as an army nurse in Vietnam Although proud of having served she felt that the war she never understood had robbed her of her innocence and forced her to grow up too quickly As depicted in a photograph taken late in her tour long hours in the operating room exhausted her both physically and mentally Her tired eyes and gaunt face reflected the weariness she felt after treating countless patients some dying some maimed all like her forever changed Still she learned to work harder and faster than she thought she could to trust her nursing skills and to live independently She developed a way to balance the dangers and benefits of being a woman in the army and in the war Only fourteen months long her tour in Vietnam profoundly affected her life and her beliefs Such vivid personal accounts abound in historian Kara Dixon Vuic's compelling look at the experiences of army nurses in the Vietnam War Drawing on more than 100 interviews Vuic allows the nurses to tell their own captivating stories from their reasons for joining the military to the physical and emotional demands of a horrific war and postwar debates about how to commemorate their service Vuic also explores the gender issues that arose when a male dominated army actively recruited and employed the services of 5 000 nurses in the midst of a growing feminist movement and a changing nursing profession Women drawn to the army's patriotic promise faced disturbing realities in the virtually all male hospitals of South Vietnam Men who joined the nurse corps ran headlong into the army's belief that women should nurse and men should fight Officer Nurse Woman brings to light the nearly forgotten contributions of brave nurses who risked their lives to bring medical care to soldiers during a terrible and divisive war

*Faces of Civil War Nurses* Ronald S. Coddington, 2020-10-06 A collection of rare archival images and biographical sketches of the dauntless women who served as nurses and caregivers during the Civil War During the American Civil War women on both sides of the conflict radiating patriotic fervor equal to their male counterparts contributed to the war effort in countless ways forming charitable societies becoming nurses or even marching off to war as vivandières unofficial attachés to the regiments In *Faces of Civil War Nurses* Ronald S Coddington turns his attention to the experiences of 77 women of all ages and walks of life who provided care during the war as nurses aid workers and vivandières Their personal narratives are as unique as fingerprints each provides a distinct entry point into the larger social history of the brutal and bloody conflict Coddington tells these determined women's stories through letters diaries pension files and newspaper and government reports Using identified tintypes and cartes de visite of women on both sides of the war many of them never before published Coddington uncovers the personal histories of each intrepid individual Following their postwar stories he also explains how the bonds they formed continued long after the cessation of hostilities The fifth volume in Coddington's series on Civil War soldiers this captivating microhistory will appeal to anyone with an interest in the Civil War women's studies social history

nursing or photography Praise for Ronald Coddington's Faces Series An engaging look at a neglected part of the history of the American Civil War Booklist Coddington has hit upon a unique and fascinating niche in the seemingly endless march of Civil War books C RL News A lavishly produced visual record of southern Civil War soldiers will appeal to serious photography enthusiasts and collectors as well as those readers captivated by the personal stories of Civil War soldiers Civil War Books and Authors Coddington's prose is as unpretentious as the faces he shares yet authoritative It resurfaces details that broaden our understanding of those sad times and sheds valuable light on the shape of modern culture Atlanta Constitution Even at a distance of over a hundred years the faces staring out of these pages create an undeniable emotional connection with the reader This book is highly recommended H CivWar H Net Reviews A fascinating window into the war's impact on the individual soldier well researched and engagingly written Any teacher of the Civil War would do well to consult this volume and incorporate some of the captivating tales into lectures and readings Journal of Military History All This Hell Evelyn Monahan, Rosemary Neidel-Greenlee, 2000-01-01 Even though women were not supposed to be on the front lines on the front lines we were Women were not supposed to be interned either but it happened to us People should know what we endured People should know what we can endure Lt Col Madeline Ullom More than one hundred U S Army and Navy nurses were stationed in Guam and the Philippines at the beginning of World War II After the Japanese attack on Pearl Harbor in December 1941 five navy nurses on Guam became the first American military women of World War II to be taken prisoner by the Japanese More than seventy army nurses survived five months of combat conditions in the jungles of Bataan and Corregidor before being captured only to endure more than three years in prison camps When freedom came the U S military ordered the nurses to sign agreements with the government not to discuss their horrific experiences Evelyn Monahan and Rosemary Neidel Greenlee have conducted numerous interviews with survivors and scoured archives for letters diaries and journals to uncover the heroism and sacrifices of these brave women Veiled Warriors Christine E. Hallett, 2014-08-28 Caring for the wounded of the First World War was tough and challenging work demanding extensive knowledge technical skill and high levels of commitment Although allied nurses were admired in their own time for their altruism and courage their image was distorted by the lens of popular mythology They came to be seen as self sacrificing heroines romantic foils to the male combatant and doctors handmaidens rather than being appreciated as trained professionals performing significant work in their own right Christine Hallett challenges these myths to reveal the true story of allied nursing in the First World War one which is both more complex and more absorbing Drawing upon evidence from archives across the world Veiled Warriors offers a compelling account of nurses wartime experiences and a clear appraisal of their work and its contribution to the allied cause between 1914 and 1918 on both the Western and the Eastern Fronts Nurses believed they were involved in a multi layered battle Primarily they were fighting for the lives of their patients on the second battlefield of casualty clearing stations transports and military hospitals Beyond this they were an integral component

of the allied military machine putting their own lives at risk in field hospitals close to the front lines on board hospital ships vulnerable to enemy submarine attack and in base hospitals subject to heavy bombardment As working women in a sometimes hostile chauvinistic world allied nurses were also fighting to gain recognition for their profession and political rights for their sex For them military nursing might help to win not only the war itself but also a more powerful voice for women in the post war world

**Army Nurse Corps Voices from the Vietnam War** Janet D. Tanner,2021-04-30 This book provides an oral history of women who served in the U S Army Nurse Corps during the Vietnam War It follows the trajectory of eight women s lives from their decision to become nurses to surgical and evacuation hospitals in Vietnam and then home to face the consequences of war on their personal and professional lives It documents their lived experience in Vietnam and explores the memories and personal stories of nurses who treated injured American soldiers Vietnamese civilians and the enemy Their voices reveal the physical and emotional challenges trauma contradictions and lingering effects of war on their lives Women in the U S Army in Vietnam feared the enemy but also sexual violence and harassment the experiences this book documents also shed light on the extent of historical sexual abuse in the military

**Nurses at the Front** Margaret R. Higonnet,2001 A eloquent pair of observers illuminate the role of women in wartime and add significantly to the literature on the Great War

*The Development of the Japanese Nursing Profession* Aya Takahashi,2004 In the years after 1868 when Japan s long period of self imposed isolation ended in nursing as in every other aspect of life the Japanese looked to the west This book tells the story of Florence Nightingale ism in Japan showing how Japanese nursing developed from 1868 to the present It discusses how Japanese nursing adopted western models implementing Nightingale ism in a conscious caricature way and implemented it more fully at least on the surface than in Britain At the same time Japanese nurses had to cope with great difficulty with traditional Japanese attitudes which were strongly opposed to women being involved in professions of any kind and as the book shows western models did not in fact penetrate very deeply

**Heroines of Mercy Street** Pamela D. Toler,2016-06-14 Companion to the PBS drama Mercy Street the true stories of the nurses at the Mansion House Civil War hospital Among the Union soldiers doctors wounded men from both sides freed slaves politicians speculators and spies who passed through the hospital in the crossroads of the Civil War were nurses who gave their time freely and willingly to save lives and aid the wounded These women saw casualties on a scale Americans had never seen before and medicine was at a turning point Heroines of Mercy Street follows the lives of women like Dorothea Dix Mary Phinney Anne Reading and more before during and after their epic struggle in Alexandria Virginia and reveals their personal contributions to this astounding period in the advancement of medicine Accessible and well researched Successfully illustrates the beginnings of nursing as a designated field of medical practice Library Journal

*Civil War Nurse Narratives, 1863-1870* Daneen Wardrop,2015-10-01 Civil War Nurse Narratives 1863 1870 examines the first wave of autobiographical narratives written by northern female nurses and published during the war and shortly thereafter ranging from the well known Louisa May Alcott to lesser known

figures such as Elvira Powers and Julia Wheelock From the hospitals of Washington DC and Philadelphia to the field at Gettysburg in the aftermath of the battle to the camps bordering front lines during active combat these nurse narrators reported on what they saw and experienced for an American audience hungry for tales of individual experience in the war As a subgenre of war literature the Civil War nurse narrative offered realistic reportage of medical experiences and declined to engage with military strategies or Congressional politics Instead nurse narrators chronicled the details of attending wounded soldiers in the hospital where a kind of microcosm of US democracy in progress emerged As the war reshaped the social and political ideologies of the republic nurses labored in a workplace that reflected cultural changes in ideas about gender race and class Through interactions with surgeons and other officials they tested women s rights convictions and through interactions with formerly enslaved workers they wrestled with the need to live up to their own often abolitionist convictions and support social equality By putting these accounts in conversation with each other Civil War Nurse Narratives productively explores a developing genre of war literature that has rarely been given its due and that offers refreshing insights into women s contributions to the war effort Taken together these stories offer an impressive and important addition to the literary history of the Civil War    No Time for Fear Diane Burke Fessler,1996 No Time For Fear summons the voices of more than 100 women who served as nurses overseas during World War II letting them tell their story as no one else can Fessler has meticulously compiled and transcribed more than 200 interviews with American military nurses of the Army Army Air Force and Navy who were present in all theaters of WWII Their stories bring to life horrific tales of illness and hardship blinding blizzards and near starvation all faced with courage tenacity and even good humor This unique oral history collection makes available to readers an important counterpoint to the seemingly endless discussions of strategy planning and troop movement that often characterize discussions of the Second World War

Discover tales of courage and bravery in Crafted by is empowering ebook, Unleash Courage in **Nurses War** . In a downloadable PDF format ( \*), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.

## **Nurses War Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nurses War PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Nurses War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In

conclusion, the availability of Nurses War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Nurses War Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nurses War is one of the best book in our library for free trial. We provide copy of Nurses War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nurses War. Where to download Nurses War online for free? Are you looking for Nurses War PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Nurses War. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Nurses War are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Nurses War. So depending on what exactly you are searching, you will be able to choose e books to

suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Nurses War To get started finding Nurses War, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Nurses War So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Nurses War. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Nurses War, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Nurses War is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Nurses War is universally compatible with any devices to read.
