Trauma Therapy Robert Durante, 2020-12-10 Do you want to change you life Do you want to overcome past traumas In general trauma is considered a physical and psychiatric condition The profession of modern medicine and psychology deeply underestimates their deep interaction with pain treatment thus offering lip service to a connection between mind and body The welded unity of body and mind which has formed the philosophical and practical foundations of most of the traditional healing systems in the world unfortunately does not provide our modern understanding and treatment that every organ system of the body has a psychic appearance in the body Many stress treatments discuss the psyche through interaction and the chemicals of the mind with medicine Both methods can be useful However trauma is not healed and will never be treated in full unless we think of the essential role of the body We must consider the impact of trauma and its key role in the repair of its effects on the body Our attempts to heal injuries without this basis are insufficient and arbitrary This book however encompasses all the aspects of developmental trauma healing The areas covered are as under Trauma an introduction Healing Developmental Trauma Road to recovery Self awareness Building support system and growth of mind and body In order to explore further a thorough read of this book is a must So do not wait and get your copy now

The Secret Language of the Body Jennifer Mann, Karden Rabin, 2024-07-09 Inspiring refreshing and practical a delightfully lucid guide to healing yourself Bessel van der Kolk MD New York Times bestselling author of The Body Keeps the Score From two mind body practitioners comes the new essential self healing bible a revolutionary body first guide to reducing stress resolving long term pain and healing from trauma for good using your body s own nervous system Your autonomic nervous system is responsible for the constant but mostly subconscious communication between your brain and body When you experience stress anxiety or trauma your nervous system formulates responses to keep you alive But you can also become trapped in survival mode if you re consistently exposed to unsafe environments toxic relationships or destructive thought patterns When

this happens it's known as nervous system dysregulation or sensitization which can result in chronic mental and physical pain and confusion leaving you unable to cope with life's strains and stresses Mind body practitioners Jen Mann and Karden Rabin co founders of the Chronic Fatigue School now provide the first in depth look at nervous system regulation somatic therapy Polyvagal theory the vagus nerve and the mind body connection Combining science backed insights and hands on techniques *The Secret Language of the Body* teaches you how to move out of survival mode regulate your nervous system and heal your mind and body Rabin and Mann don't teach stress management but something far more powerful how to control your body's nervous system With this revolutionary book you will learn to skillfully speak the language of your body and train it to not only manage stress but achieve personal transformation *The Secret Language of the Body* includes helpful illustrations
