Space Opera Global Trend:

Advanced Research and Trends in New Technologies, Software, Human-Computer Interaction, and Communicability

Cipolla-Ficarra, Francisco Vicente, 2013-08-31 This book presents scientific theoretical and practical insight on the software and technology of social networks and the factors that boost communicability highlighting different disciplines in the computer and social sciences fields Provided by publisher Science Fiction, New Space Opera, and Neoliberal Globalism Jerome Winter, 2016-11-15 One of the few points critics and readers can agree upon when discussing the fiction popularly known as New Space Opera a recent subgenre movement of science fiction is its canny engagement with contemporary cultural politics in the age of globalisation This book avers that the complex political allegories of New Space Opera respond to the recent cultural phenomenon known as neoliberalism which entails the championing of the deregulation and privatisation of social services and programmes in the service of global free market expansion Providing close readings of the evolving New Space Opera canon and cultural histories and theoretical contexts of neoliberalism as a regnant ideology of our times this book conceptualises a means to appreciate this thriving movement of popular literature *Global Trends in Intelligent Computing Research and Development* Tripathy, B.K., Acharjya, D. P., 2013-12-31 As the amount of accumulated data across a variety of fields becomes harder to maintain it is essential for a new generation of computational theories and tools to assist humans in extracting knowledge from this rapidly growing digital data *Global Trends in Intelligent Computing Research and Development* brings together recent advances and in depth knowledge in the fields of knowledge representation and computational intelligence Highlighting the theoretical advances and their applications to real life problems this book is an essential tool for researchers lecturers professors students and developers who have seek insight into knowledge representation and real life applications *Global Trends in Translator and Interpreter Training* Séverine Hubscher-Davidson, Michal Borodo, 2012-05-31 Analyzes topics and issues in translator and interpreter training focussing on areas that are new and underexplored yet crucial for translator interpreter practice **New World Vistas** United States. USAF Scientific Advisory Board, 1996 Books and Beyond Kenneth Womack, 2008-10-30 There s a strong interest in reading for pleasure or self improvement in America as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey s Although recent government reports show a decline in recreational reading the same reports show a strong correlation between interest in reading and academic achievement This set provides a snapshot of the current state of popular American literature including various types and genres The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk fantasy literature flash fiction GLBTQ literature graphic novels manga and anime and zines Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre s reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and

the set closes with a selected general bibliography Reading in America for pleasure and knowledge continues to be popular even while other media compete for attention While students continue to read many of the standard classics new genres have emerged These have captured the attention of general readers and are also playing a critical role in the language arts classroom This book maps the state of popular literature and reading in America today including the growth of new genres such as cyberpunk zines flash fiction GLBTQ literature and other topics Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre s critical reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Students will find this book a valuable guide to what they re reading today and will appreciate its illumination of popular culture and contemporary social issues

The Battle of the Sexes in Science Fiction Justine Larbalestier,2023-09-05 Runner up for the Hugo Best Related Book Award 2003 The Battle of the Sexes in Science Fiction is a lively account of the role of women and feminism in the development of American science fiction during its formative years the mid 20th century Beginning in 1926 with the publication of the first issue of Amazing Stories Justine Larbalestier examines science fiction s engagement with questions of femininity masculinity sex and sexuality She traces the debates over the place of women and feminism in science fiction as it emerged in stories letters and articles in science fiction magazines and fanzines The book culminates in the story of James Tiptree Jr and the eponymous Award Tiptree was a successful science fiction writer of the 1970s who was later discovered to be a woman Tiptree s easy acceptance by the male dominated publishing arena of the time proved that there was no necessary difference in the way men and women wrote but that there was a real difference in the way they were read
