

# 6 Simple MINDFULNESS Activities for Your Classroom

## BELLY BREATHING

**Centervention** has a complete lesson plan you can use on belly breathing. You will find everything from pre and post discussion questions to step-by-step directions. It is a wonderful activity for when students need to cool down and self-regulate.

## BRAIN BREAKS

**Brain breaks** are activities, or short breaks, that promote learning and focus for students. These types of breaks involve students participating in activities like mindful breathing, mindful movements, and mindful yoga.

## BREATH, THINK, DO

The free **Breath, Think, Do** app through Sesame Street is great for introducing young children to calm through breathing. Children help an animated monster facing a frustrating situation calm down by taking long, deep breaths.

## CALMING CORNER

**Calming corners** can help reduce students' stress and provide calming visual, auditory, and tactile experiences for de-stressing. A calming corner can be a physical corner in your classroom or a virtual space.

## MINDFUL JOURNALING

**Three Good Things: A Happiness Journal** is a free app that can help students with mindful journaling by having students write down three good things that happen to them each day. As a result, their happiness and positivity increase.

## SMILING MIND

**Smiling Mind** is a free app that offers hundreds of mindfulness activities. In addition to breathing meditations, the app has sensory exercises, like listening to music. There are programs for kids in different age groups, as well as for schools, workplaces, and sports.

### **Daily Mindful Activities for Parents and Children** Ari Zandieh,2020-01-01

This book arose out of a belief that children though born mindful are being moved away from this natural state more rapidly than ever With the stress and anxiety epidemic of our time we're all in greater need to return to a state of conscious presence the very definition of mindfulness You may ask when and how we've lost this simple state It's usually around the same time we notice it in our own children generally in elementary school starting in the mid to late grades when we succeed in training children out of mindfulness and into the world of past and future This book is meant to offer tools which can be incorporated into normal everyday activities to retrain the mind back to this natural state It is not meant to teach how to be mindful but to give tools to bring mindfulness back into everyday life Each activity is intended to be used by parents to regain their sense of peace in everyday life cope with stressors and anxieties and spend time with their children in conscious presence It is also aimed at prolonging the natural state of mindfulness in children help them remain focused and give them tools to cope with stress and anxiety Why be mindful Recognize Emotions Regain Peace Cultivate Patience See with Fresh Eyes Let Go of Negativity Remove Judgement Connect with Others Understand the Self Give up Struggle Nurture Gratitude Manage Stress What does it take to be mindful It takes intentional action along with the right tools Your intent to bring peace into your life has brought

you to this book This book will provide you with daily tools to cultivate mindfulness How will this book help 365 Day Guide Engages Children Easy Meditations Everyday Scenarios Step by Step Tools Inspirational Lessons Fun and Simple Approach Simple Meditations Peace Oriented
