## **Metropolitan Opera Guide To Recorded Opera:**

**Guide to Recorded Opera** Paul Gruber,1993 A guide to recordings of operas     The Metropolitan Opera Guide to Recorded Opera Paul Gruber,1993 A guide to recordings of operas     The Metropolitan Opera Stories of the Great Operas John W. Freeman, Metropolitan Opera (New York, N.Y.),1984 Here at last is the definitive opera story collection the only one now authorized by the Metropolitan Opera Written by the associate editor of Opera News magazine the volume includes the complete plots of 150 different operas biographical information on all of the 72 composers represented easy access to the stories through both a table of contents and an index and a foreword by Peter Allen     *The Metropolitan Opera Guide to Opera on Video* Paul Gruber,1997 Describes the performances and production values of more than three hundred videos of more than one hundred fifty operas and recommends the best overall video recording for each opera     **American Opera Singers and Their Recordings** Clyde T. McCants,2004-08-06 This book focuses on American opera singers and what their recordings say about their artistry It is not a book about all American opera singers since many who had important careers on stage made few if any recordings And many of those who did make recordings did so prior to the introduction of electrical recording in 1925 and the resulting advances in the reproduction of the human voice Opera enthusiasts can only imagine the sound of Farinelli s voice or read what his contemporaries have written about it but with almost any famous or near famous singer of recent years enthusiasts do not have to imagine Their voices are available through the technology of sound recording There are 53 entries one each for 52 singers and a composite entry for a group of Hollywood vocalists Each entry contains biographical information and is followed by a discography of operatic recordings to be used in conjunction with the critical commentaries The entries are in alphabetical order by the singer s last name and provide critical analyses of key recordings and of the artists gifts and limitations     The Rough Guide to Opera Matthew Boyden,Nick Kimberley,2002 Sketches of opera composers opera synopses and CD reviews     Music Library and Research Skills Jane Gottlieb,2017 Concise and engaging this text covers a wide range of reference sources for research in all genres of music Through this practical introduction to the key concepts of music research students will develop a firm understanding of the tools used to gather data including what types of sources exist how they are arranged and how they may best be used to do research

**Sourcebook for Research in Music, Third Edition** Allen Scott,2015-06-01 Since it was first published in 1993 the Sourcebook for Research in Music has become an invaluable resource in musical scholarship The balance between depth of content and brevity of format makes it ideal for use as a textbook for students a reference work for faculty and professional musicians and as an aid for librarians The introductory chapter includes a comprehensive list of bibliographical terms with definitions bibliographic terms in German French and Italian and the plan of the Library of Congress and the Dewey Decimal music classification systems Integrating helpful commentary to instruct the reader on the scope and usefulness of specific items this updated and expanded edition accounts for the rapid growth in new editions of standard works in fields such as

ethnomusicology performance practice women in music popular music education business and music technology These enhancements to its already extensive bibliographies ensures that the Sourcebook will continue to be an indispensable reference for years to come      **Saint-Saëns and the Stage** Hugh Macdonald,2019-03-14 The first major study of Saint Saëns's stage music timed to coincide with revivals of his operas on stage      **Douglas Moore** Jerry L. McBride,2011-01-01 MLA Index and Bibliography Series vol 36 Additional information online at <https://www.areditions.com/books/IB036.html>

*Library Resources for Singers, Coaches, and Accompanists* ,1998-07-23 Designed to aid the student librarian teacher or professional singer this annotated bibliography provides access to more than 500 books journals and electronic resources Included as well are chapters listing dictionaries and encyclopedias for opera and musical theater biographical sources guides to vocal literature and repertoire and resources for vocal pedagogy and for the stage Equally helpful are sources that list plots and synopses translations diction travel and education Providing ready access to a variety of topics and resources necessary for vocal study this important reference will introduce music students to reliable essential sources for their study assist teachers and coaches in finding reference tools and assist reference librarians in locating sources for patrons The alphabetical organization within subject makes this reference easy to understand and easy to access Three indexes allow for convenient cross referencing      **Creative Strategies for Library Instruction in the Arts, Literature, and Music**

Marilyn P. Whitmore,2001 Active learning benefits everyone in all levels and types of libraries Students the general public interns and new reference staff need to find information and conduct research One way to help them understand research strategies is to provide a structured opportunity to experience information seeking Librarians want learners to retain and apply what is taught Finding material and writing research papers is a way of life in the schools colleges and universities which most students attend Students will continue to use the skills and techniques learned from library instruction throughout their lifetimes This book includes seven lesson plans covering various topics in The Arts seven lesson plans in literature and communications and six lesson plans in music Each of the contributing authors is a specialist in his area of expertise and is sharing that knowledge with colleagues It is an excellent resource for librarians planning sessions to undergraduate students in those disciplines The format used is one in which each chapter is a lesson plan that includes active learning exercises Library instruction librarians are able to save a great deal of time with the design of this unique book because the exercises can be easily customized to fit the needs of individual libraries      **Gramophone** ,2004

**Opera** George Henry Hubert Lascelles Earl of Harewood,1993      *Modern Music and Musicians for Vocalists: The singer's guide* ,1918      **American Record Guide** ,1999      **Opera Canada** ,1994      *In Quest of Music* Irving Kolodin,1980      **The Record Collector** James F.
