

An illustration in a sketchy, painterly style. On the left, a man in a brown jacket and dark trousers stands looking towards the center. In the center, a woman with blonde hair, wearing a white dress with blue accents, stands with her hands clasped, looking up at the man on the left. On the right, an older man with glasses, a white lab coat over a blue shirt and bow tie, and dark trousers stands with his arms outstretched, looking towards the woman. The background shows bookshelves filled with books and a desk with various items on the left. The floor has a diamond pattern.

Mi Adorado Juan:

A New History of Spanish Literature Richard E. Chandler, Kessel Schwartz, 1991-09-01 First published in 1961 A New History of Spanish Literature has been a much used resource for generations of students The book has now been completely revised and updated to include extensive discussion of Spanish literature of the past thirty years Richard E Chandler and Kessel Schwartz both longtime students of the literature write authoritatively about every Spanish literary work of consequence From the earliest extant writings though the literature of the 1980s they draw on the latest scholarship Unlike most literary histories this one treats each genre fully in its own section thus making it easy for the reader to follow the development of poetry the drama the novel other prose fiction and nonfiction prose Students of the first edition have found this method particularly useful However this approach does not preclude study of the literature by period A full index easily enables the reader to find all references to any individual author or book Another noteworthy feature of the book and one omitted from many books of this kind is the comprehensive attention the authors accord nonfiction prose including for example essays philosophy literary criticism politics and historiography Encyclopedic in scope yet concise and eminently readable the revised edition of A New History of Spanish Literature bids fair to be the standard reference well into the next century

Mi adorado Juan Miguel Mihura, 1964 From Silver Screen to Spanish Stage Stuart Nishan Green, 2011-05-31 This is the first book length English language study of a group of five artists closely linked with the Spanish avant garde in the 1920s and 1930s now known as the Other Generation of 27 In the same way that their contemporaries of the celebrated Generation of 27 which included Federico Garcia Lorca attempted a revolution of the arts through poetry inspired by European modernism the Other Generation of 27 attempted to renovate Spanish humour first in prose and then in the theatre and cinema This book demonstrates how these humorists drew on the humour of Chaplin Keaton Lubitsch and the Marx Brothers for their stage comedy and how they stretched the limits of the stage at the time by incorporating cinematic techniques such as flashback voice overs and montage in their search for new dramatic forms
