**Crime and Spy Jazz on Screen, 1950-1970** Derrick Bang, 2020-04-16 Henry Mancini's Peter Gunn theme, Lalo Schifrin's Mission Impossible theme, John Barry's arrangement of the James Bond theme. These iconic melodies have remained a part of the pop culture landscape since their debuts in the late 1950s and early 60s, a golden decade that highlighted an era when movie studios and TV production companies employed full orchestral ensembles to provide a jazz backdrop for the suspenseful adventures of secret agents, private detectives, cops, spies, and heist minded criminals. Hundreds of additional films and television shows made during this period were propelled by similarly swinging title themes and underscores, many of which have undeservedly faded into obscurity. This meticulously researched book traces the embryonic use of jazz in mainstream entertainment from the early 1950s when conservative viewers still considered this genre the devil's music to its explosive heyday throughout the 1960s. Fans frustrated by the lack of attention paid to jazz soundtrack composers including Jerry Goldsmith, Edwin Astley, Roy Budd, Quincy Jones, Dave Grusin, Jerry Fielding, and many many others will find solace in these pages along with all the information needed to enhance one's music library. The exploration of action jazz continues in this book's companion volume, *Crime and Action Jazz on Screen Since 1971*.
