Mibions In The Local Church:

Ch. 1. The Church Henry Charles Lea,1887 **The Neutralized Church** Gene Baldock,2011-03 The Neutralized Church offers an introduction to the answers to questions that many Christians are raising today We have been manipulated into ignoring the obvious answers and dismissing the evidence of their truth even though they have been readily available to all for generations We reject and ignore those who defy political correctness and yet they speak the truth The United States is in decline and the US Dollar is now in jeopardy Our educational system is falling further behind international competition and our foreign policy has made us targets for hatred and unhappiness generated all over the planet Morality has been abandoned and powerful new government agencies have been created that threaten our freedom Christians must learn what God expects of them before it s too late The Neutralized Church calls on people with a foundational knowledge of the Bible those who accept it as the Word of God Only by understanding what Satan has done to the church can we truly begin to understand why all efforts to bring about change will fail God works through those who willingly serve Him therefore the church is God s change agent God will not change His strategy just because Christians permit Satan s unwanted influence over the church **History of Sacerdotal Celibacy in the Christian Church** Henry Charles Lea,1884 Freedom from Life's Wounds and Oppression Bill W. Hughes,2021-03-25 What is satan allowed to do Overcoming life s challenges and emotional wounds is possible for Christians through the redeeming work of Jesus Christ and the benefits He paid for at the cross This book s core message is that by the Spirit of God any Believer can discern the Truth of God s Word and use the spiritual steps prayers and declarations to obtain lasting Freedom through the Power and Authority of Jesus name This book contains Clear scriptural information for any Christian to identify and stop demonic oppression Steps and prayers for any Believer to correctly process emotional injuries and stop the voices continually accusing condemning and shaming them Comprehensive information of the conditions that contribute to fear depression rage self hate anxiety attacks and the voices of rejection abandonment and death This book will lead you to know your identity in the Kingdom of God and understand the freedom and authority that brings If you pastor teach counsel coach or mentor meet your newest reference book Supplemental information for this book and video links are on the website Its About Freedom org30 *Why Is My Church Dying?* Russell C. Lambert,2015-04-13 This book contains basic Biblical concepts in evaluating the condition and health of the local congregation It gives guidance concerning the health and well being of the local church its members and pastor With the number of churches in this country in decline this book seeks to give them direction through a process of self evaluation Mary's Story Lynne Garnham-King,2011-06-01 DescriptionThe book is Mary s story It is a true story It is about a psychotic experience with a supernatural twist I had the good fortune to meet Mary during my role as a counselor Mary claimed that she had been hearing voices for several months It was only when the voices had stopped and Mary had regained some of her equilibrium that she came to counselling to try to make some sense of the episode Mary had been a counsellor

herself and believed that counseling could help her with her problem Mary's was not a straightforward case as you will discover when you read her story Mary claimed that before the voices had appeared she had been having supernatural experiences In fact Mary claimed to have proof of what had happened to her as she had recorded some of her encounters with the spirit world on her tape recorder Indeed I can bear witness to the voices recorded on the tape recorder as can other health care workers The following is Mary's story told in her own words as she searches for answers as to what happened to her Come with me into Mary's strangely fascinating world and decide for yourself if you believe whether Mary did have an encounter with the spirit world Or if you believe it was something else perhaps an episode of madness brought on by the death of her father Read on and decide for yourself About the Author Lynne was born in 1955 She was brought up in a loving family and has one sister From her mid twenties she suffered from anxiety and panic attacks By her mid thirties Lynne had become agoraphobic and was house bound Battling agoraphobia and dealing with a protracted drug withdrawal programme from benzodiazepines took up the next ten years of her life during which time Lynne suffered a breakdown and was very ill She was diagnosed with M E in 1998 Married twice Lynne feels that health problems were responsible for her two divorces Further health problems ensued including being diagnosed as coeliac and having a serious vertigo problem She trained to be a counsellor to put her vast experiences to some use in a positive way by helping others

An Historical Sketch of Sacerdotal Celibacy in the Christian Church Henry Charles Lea, 1884 **Messenger and Visitor**, 1912 **Help! My Friend Has a Disability** Dave Deuel, 2020-11-06 Most of us could improve our friendship skills And disability can introduce unique challenges to our friendships as well as bring incomprehensible blessings This mini book explores how we can be a good friend to a person with a disability by examining the Bible's teaching on friendships in general and then looking at some of the specific obstacles disability can bring including how churches can become families of friends for people with disabilities **TRANSFORMED ON THE MOUNTAIN** Marcella Reid Figueroa, 2024-08-21 Scripture note 1 C Corinthians 12 12 31 Scripture note 1 C Corinthians 12 12 31 Tension is a term musicians often use to describe the condition of the strings on instruments like the violin the cello the harp or the guitar Musicians know that the tone or pitch produced by the instrument is greatly affected by the tension of the strings carrying the sound The outcome of good tension is good sounding music while bad tension produces sour flat or sharp sounds that are unpleasant to listen to There is good tension and bad tension in church as well One task of effective leadership is to discern good and bad tension within the church The outcome of good tension is success in achieving the goals and objectives of the ministry Bad tension can result in chaos complexity confusion and contradiction Bad tension freezes a ministry in time with no productive movement no common ground no unity and an endless array of activity spiraling into uselessness When each member of the church discovers his her own God given abilities to express love for God through the service of humankind the result is not unlike a symphony of diverse instruments chords and sounds all making a joyful sound in peaceful coexistence Bad tension creates a stench in God's nostrils It is the

task of every Christian to embark upon a journey of discovery that ends in a God given ministry niche or place of service God calls every Christian to God's own hands to be broken melted molded filled and used to the glory of God Leaders are part of the solution and not part of the problem How does a vibrant and healthy congregation balance the need for stable leadership with the need for change How do changes within a ministry impact relationship within the church What effect does systemic change have on the entire church body What is the role of leadership in church relations What is a creative tension dynamic Leaders today must learn constructive interventions that interrupt malevolent cycles of destructive behaviors in order to balance the tension between resistance and acceptance in a way that empowers ministry and inspires growth
