Michael Harrington Speaking American:

Michael Harrington--speaking American Robert A. Gorman, 1995 In this provocative biographical portrait Robert A Gorman examines the political and intellectual life of this engaging radical thinker while looking ahead to the ways in which the work and example he has left us can affect political life in the twenty first century Michael Harrington s major attempt to Americanize socialism plays a big part in Gorman s analysis He tells readers how it is possible to be both radical and patriotic and how an unjust system can be transformed without being destroyed

American Democratic Socialism Gary Dorrien, 2021-01-01 A sweeping ambitious history of American democratic socialism from one of the world s leading intellectual historians and social ethicists The movement whose tangled history Gary Dorrien tells in American Democratic Socialism has deep roots in the very American values it is accused of undermining The version of the socialist left that emerges is one that deserves more attention Hari Kunzru New York Review of Books Democratic socialism is ascending in the United States as a consequence of a widespread recognition that global capitalism works only for a minority and is harming the planet s ecology This history of American democratic socialism from its beginning to the present day interprets the efforts of American socialists to address and transform multiple intersecting sites of injustice and harm Comprehensive deeply researched and highly original this book offers a luminous synthesis of secular and religious socialisms detailing both their intellectual and their organizational histories

Class in America Robert E. Weir, 2007-06-30 In the United States social class ranks with gender race and ethnicity in determining the values activities political behavior and life chances of individuals Most scholars agree on the importance of class although they often disagree on what it is and how it impacts Americans This A Z encyclopedia the first to focus on class in the United States surveys the breadth of class strata throughout our history for high school students to the general public Class is illuminated in 525 essay entries on significant people terms theories programs institutions eras ethnic groups places and much more This useful set is an authoritative fascinating source for in demand information on key aspects of our culture and society and helps researchers to narrow down a broad topic Class is revealed from angles that often intersect through history with entries such as Founding Fathers the Industrial Revolution Westward Expansion through economics with entries such as Dot com Bubble Robber Barons Chicago School of Economics Lottery Wage Slaves Economic Equal Opportunity Act Stock Market Inheritance Taxes Wal Mart Welfare through social indicators such as Conspicuous Consumption the Hamptons WASP Homelessness Social Climbing through politics with entries such as Anarchism Braceros Heritage Foundation Communist Party Kennedy Family and through culture through entries such as Country Music The Great Gatsby Television and Studs Terkel Class is also approached from ethnic sexual religious educational and regional angles Special features include an introduction timeline suggested reading per entry cross references reader s guide to topics and thorough index Sample entries Immigration Education Labor Movement Pink Collar Workers AFL CIO Strikes Great Depression Jacob Riis Literature the Rockefellers

Noam Chomsky Fortune Magazine *Economy, Difference, Empire* Gary Dorrien, 2010-11-02 Sourcing the major traditions
of progressive Christian social ethics social gospel liberalism Niebuhrian realism and liberation theology Gary Dorrien argues
for the social ethical necessity of social justice politics In carefully reasoned essays he focuses on three subjects the ethics
and politics of economic justice racial and gender justice and antimilitarism making a constructive case for economic
democracy along with a liberationist understanding of racial and gender justice and an anti imperial form of liberal
internationalism In Dorrien's view the three major discourse traditions of progressive Christian social ethics share a
fundamental commitment to transform the structures of society in the direction of social justice His reflections on these
topics feature innovative analyses of major figures such as Walter Rauschenbusch Reinhold Niebuhr James Burnham Norman
Thomas and Michael Harrington and an extensive engagement with contemporary intellectuals such as Rosemary R Ruether
Katie Cannon Gregory Baum and Cornel West Dorrien also weaves his personal experiences into his narrative especially his
involvement in social justice movements He includes a special chapter on the 2008 presidential campaign and the historic
candidacy of Barack Obama **Culture Wars** Roger Chapman, 2010 Although openness and inclusion are cornerstones of
life in the United States intolerance and reactionary politics are also very real As the nation prepares to elect a new president
