Mary A. Fischer, 2012-10-04 This is it The original GQ story that became an international sensation by exploring for the first time in the media the other side the defense side of the 1993 Michael Jackson scandal Today it remains a sought after story by the superstar's fans around the world Until now the original unedited version of the GQ article has not been available Now two years after Michael Jackson's death in the midst of a resurgence of his music and popularity the official GQ story is being released with a new cover and foreword written by the author award winning journalist Mary A Fischer As the media rushed to judgment about the 93 allegations that Jackson had molested a 13 year old boy no one bothered to look in depth at Jackson's adult accusers GQ senior writer Mary A Fischer known for investigating controversial under reported stories took on the assignment She spent months delving into the backgrounds of Evan Chandler and his attorney Barry K Rothman Jackson's main accusers What emerged from Fischer's examination based on court documents business records and scores of interviews some with confidential sources who would only meet in out of the way places was a persuasive argument that Jackson molested no one and that he himself may have been the victim of a well conceived plan to extract money from him

More than that it was a classic story of greed ambition misconceptions on the part of police and prosecutors a lazy and sensation seeking media and the use of a powerful hypnotic drug Today it remains an important relevant story about how a case was simply invented And now for the first time in over a decade it is available to Michael Jackson fans everywhere
