accepting it at its current face value let me add that I have indeed lived life in a very rough school and have seen more than the average man's share of inhumanity and cruelty from the forecastle and the prison the slum and the desert the execution chamber and the lazar house to the battlefield and the military hospital I have seen horrible deaths and mutilations I have seen imbeciles hanged because being imbeciles they did not possess the hire of lawyers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
