Carolyn Quintero

Osage Grammar:

Osage Grammar Carolyn Quintero, 2004-01-01 When Europeans first made contact with the Osages they lived in present day Missouri along the Osage River After being forced onto a reservation the Osages purchased land from the Cherokees in Indian Territory and resettled in northeastern Oklahoma in the later part of the nineteenth century Today the Osage tribe numbers about 18 000 but only two elders still speak the traditional language a member of the Siouan family of languages Osage Grammar is the first documentation of how the Osage language works including more than two thousand sentences from Osage speakers and a detailed description of its phonology morphology and syntax Also featured are such components as verb conjugations derivation and suffixes kinship terms and the nominal system The importance of documenting a language especially when on the verge of extinction can hardly be overstated Growing up in Osage County Oklahoma Carolyn Quintero has been documenting the Osage language for twenty years speaking to more than a dozen elders and transcribing hundreds of hours of interviews Her research could not now be repeated since most of the elders whose words appear on these pages are gone This book will become an essential reference and guide for all scholars and students interested in the Osage language and in other Siouan languages of the West Osage Grammar will also serve as a bedrock for the present revitalization of Osage culture and language within the community

Osage Dictionary Carolyn Quintero, 2014-10-22 Osage a language of the Dhegiha branch of the Siouan family was spoken until recently by tribal members in northeastern Oklahoma No longer in daily use it was in danger of extinction Carolyn Quintero a linguist raised in Osage County worked with the last few fluent speakers of the language to preserve the sounds and textures of their complex speech Compiled after painstaking work with these tribal elders her *Osage Dictionary* is the definitive lexicon for that tongue enhanced with thousands of phrases and sentences that illustrate fine points of usage Drawing on a collaboration with the late Robert Bristow an amateur linguist who had compiled copious notes toward an Osage dictionary Quintero interviewed more than a dozen Osage speakers to explore crucial aspects of their language She has also integrated into the dictionary explications of relevant material from Francis La Flesche's 1932 dictionary of Osage and from James Owen Dorsey's nineteenth century research The dictionary includes over three thousand main entries each of which gives full grammatical information and notes variant pronunciations The entries also provide English translations of copious examples of usage The book's introductory sections provide a description of syntax morphology and phonology Employing a simple Siouan adaptation of the International Phonetic Alphabet Quintero's transcription of Osage sounds is more precise and accurate than that in any previous work on the language An index provides Osage equivalents for more than five thousand English words and expressions facilitating quick reference As the most comprehensive lexical record of the Osage language the only one that will ever be possible given the loss of fluent speakers Quintero's dictionary is indispensable not only for linguists but also for Osage students seeking to relearn their language It is a living monument to the elegance and complexity of a language nearly

lost to time and stands as a major contribution to the study of North American Indians **Language Complexity** Matti Miestamo, Kaius Sinnemäki, Fred Karlsson, 2008 Language complexity has recently attracted considerable attention from linguists of many different persuasions This volume a thematic selection of papers from the conference Approaches to Complexity in Language held in Helsinki August 2005 is the first collection of articles devoted to the topic The sixteen chapters of the volume approach the notion of language complexity from a variety of perspectives The papers are divided into three thematic sections that reflect the central themes of the book Typology and theory Contact and change Creoles and pidgins The book is mainly intended for typologists historical linguists contact linguists and creolists as well as all linguists interested in language complexity in general As the first collective volume on a very topical theme the book is expected to be of lasting interest to the linguistic community *B'ajlom Ii Nkotz'i'j Publications' A Concise Osage Grammar* Sandra Chigüela, Mateo G R, 2024-04-27 A Detailed and Thorough Osage Grammar with an English Osage Dictionary at the back of the book This book is the perfect linguistic guide for studying and learning Osage Grammar **Humanities**, 2001 *A Dictionary of the Osage Language* Francis La Flesche, 2013-10 This is a new release of the original 1932 edition **The polyfunctionality of 'still' expressions** Bastian Persohn, 2024-06-28 Expressions from the semasiological domain of phasal polarity still already etc tend to be highly polyfunctional with their various uses often extending into a wide range of other linguistic domains both time related and non temporal Yet these patterns have hitherto been investigated mostly for individual languages or smaller groups This volume presents the first ever larger scale survey of the numerous functions of expressions whose meanings include the notion of still making use of a global sample of 76 varieties from 45 distinct phyla It is aimed at semanticists typologists and descriptive grammarians alike [Here - Hither - Hence and Related Categories](#) Julia Nintemann, Maja Robbers, Nicole Hober, 2020-07-20 As a follow up study to the global comparison of spatial interrogatives *Studia Typologica* 20 the present book examines the spatial declarative counterparts which are provided by the expression class of spatial deictic adverbs In a functionally motivated typological approach equivalents of Early Modern English here hither hence and there thither thence are identified across a sample of 250 languages from all macro areas These are also quantitatively assessed to extrapolate areal and global trends of coding patterns The formal relationships between spatial interrogative and spatial declarative paradigms are analyzed with a focus on the syncretism of categories and of individual cells Qualitative discussions of patterns precede in depth treatments of problematic cases and other relevant issues related to the research topic The quantitative results strongly point to areal linguistic trends concerning the distribution of distinct and non distinct coding of the three spatial relations Place Goal and Source Additional aspects such as quantitative evaluations of constructional complexity are addressed subsequently **The Praeger Handbook on Contemporary Issues in Native America** Bruce E. Johansen, 2007-04-30 Most Americans know very little about Native America For many most of their knowledge comes from an amalgam of three sources a barely remembered required history

class in elementary school Hollywood movies and debates in the news media over casinos or sports mascots This two volume set deals with these issues as well as with more important topics of concern to the future of Native Americans including their health their environment their cultural heritage their rights and their economic sustainability This two volume set is one of few guides to Native American revival in our time It includes detailed descriptions of efforts throughout North America regarding recovery of languages trust funds economic base legal infrastructure and agricultural systems The set also includes personal profiles of individuals who have sparked renewal from Sheila Watt Cloutier a leader among the Inuit whose people deal with toxic chemicals and global warming to Ernest Benedict and Ray Fadden who brought pride to Mohawk children long before the idea was popular Also included are descriptions of struggles over Indian mascots establishment of multicultural urban centers and ravages of uranium mining among the Navajo The set ends with a detailed development of contemporary themes in Native humor as a coping mechanism Delving occasionally into historical context this set includes valuable background information on present day controversies that are often neglected by the news media For example the current struggles to recover Native American trust funds and languages both emerged from a cradle to grave control system developed by the U S and Canadian governments These efforts are part of a much broader Native American effort to recover from pervasive poverty and reassert Native American economic independence Is gambling an answer to poverty the new buffalo as some Native Americans have called it The largest Native American casino to date has been the Pequots Foxwoods near Ledyard Connecticut In other places such as the New York Oneidas lands in Upstate New York gambling has provided an enriched upper class the means to hire police to force anti gambling traditionalists from their homes Among the Mohawks at Akwesasne people have died over the issue This two volume set brings together all of these struggles with the attention to detail they have always deserved and rarely received

American Indian Culture Bruce E. Johansen, 2015-09-22 This invaluable resource provides a comprehensive historical and demographic overview of American Indians along with more than 100 cross referenced entries on American Indian culture exploring everything from arts literature music and dance to food family housing and spirituality American Indian Culture From Counting Coup to Wampum is organized by cultural form Arts Family Education and Community Food Language and Literature Media and Popular Culture Music and Dance Spirituality and Transportation and Housing Examples of topics covered include icons of Native culture such as pow wows Indian dancing and tipi dwellings Native art forms such as pottery rock art sandpainting silverwork tattooing and totem poles foods such as corn frybread and wild rice and Native Americans in popular culture The extensive introductory section breadth of topics accessibly written text and range of perspectives from the many contributors make this work a must have resource for high school and undergraduate audiences *Anthropological Linguistics*, 2005

Annual Reports ...
Leavenworth (Kan.) Board of education, 1894 *Oklahoma Today*, 1994 **History of Kansas State and People** William Elsey Connelley, 1928 **The Praeger Handbook on Contemporary Issues in Native America** Bruce Elliott

Johansen,2007 Provides a culturally relevant and rich introduction to contemporary issues facing Native Americans **The Louisiana Purchase** Junius P. Rodriguez,2002-06-20 Alphabetical entries cover significant events personalities and documents associated with the Louisiana Purchase **Studies on Grammaticalization** Elisabeth Verhoeven,2008 Grammaticalization theory has played a major role in the developments in language typology and functional linguistics during the last three decades The contributions in this book discuss the major theoretical issues of grammaticalization theory il

Households and Families of the Longhouse Iroquois at Six Nations Reserve Merlin G. Myers,2006 This study of kinship relations economics and household organization among the modern Longhouse Iroquois located in Ontario Canada fills a crucial gap in our knowledge of modern Iroquoian culture and history and provides a treasury of information about Longhouse social organization Founded by nearly two thousand Iroquois allies of the British crown in 1784 the Six Nations Reserve became the first Iroquoian community to contain members of all five tribes of the original Iroquois Confederacy By the mid twentieth century the reserve had divided along the lines of politics and religion into two distinct social groups those who practiced Christianity and the followers of the more traditional Longhouse religion In the late 1950s Merlin G Myers conducted fieldwork among these traditionalists He collected data on household structure and kinship relations from 150 families and interpreted his findings within the context of structural functional anthropology providing a rare example of British anthropological theory from this time applied to a North American Native community His work also features valuable Cayuga linguistic contributions **American Indian Culture and Research Journal** ,2004 **Linguistics and Language Behavior Abstracts** ,2008-02

The Captivating Realm of E-book Books: A Comprehensive Guide Revealing the Advantages of Kindle Books: A Realm of Ease and Versatility E-book books, with their inherent portability and simplicity of availability, have freed readers from the constraints of hardcopy books. Gone are the days of carrying bulky novels or carefully searching for specific titles in shops. Kindle devices, sleek and portable, effortlessly store an wide library of books, allowing readers to indulge in their favorite reads anytime, anywhere. Whether commuting on a bustling train, relaxing on a sun-kissed beach, or just cozying up in bed, Kindle books provide an unparalleled level of ease.
