Oscar Wilde's Guide to Modern Living Oscar Wilde,1996      **The Advocate** ,1998-04-28 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States      **The Advocate** ,1998      **Oscar Wilde and Modern Culture** Joseph Bristow,2009-01-12 Oscar Wilde and Modern Culture The Making of a Legend explores the meteoric rise sudden fall and legendary resurgence of an immensely influential writer s reputation from his hectic 1881 American lecture tour to recent Hollywood adaptations of his dramas Always renowned if not notorious for his fashionable persona Wilde courted celebrity at an early age Later he came to prominence as one of the most talented essayists and fiction writers of his time In the years leading up to his two year imprisonment Wilde stood among the foremost dramatists in London But after he was sent down for committing acts of gross indecency it seemed likely that social embarrassment would inflict irreparable damage to his legacy As this volume shows Wilde died in comparative obscurity Little could he have realized that in five years his name would come back into popular circulation thanks to the success of Richard Strauss s opera Salome and Robert Ross s edition of De Profundi With each succeeding decade the twentieth century continued to honor Wilde s name by keeping his plays in repertory producing dramas about his life adapting his works for film and devising countless biographical and critical studies of his writings This volume reveals why more than a hundred years after his demise Wilde s value in the academic world the auction house and the entertainment industry stands higher than that of any modern writer      *Wounds and Deceptions* Cristina Chevereşan,2006

different European national contexts gains new sometimes oppositional meanings avoiding a one sided representation of both the East and the two national literatures that absorbed it In arguing for a Decadent cosmopolitanism as a model of heterogeneous inclusivity that reaches beyond the binaries established by Edward Said's Orientalism the present book brings twenty first century theories of cosmopolitanism into dialogue with art history and literature to uncover striking synergies and interdependences between the different manifestations of Decadence in England and Germany

**Casa Loma** Matthew

M. Reeve, Michael Windover, 2023-09-01 Leading architect E J Lennox designed Casa Loma for the flamboyant Sir Henry Pellatt and Mary Lady Pellatt as an enormous castellated mansion that overlooked the booming metropolis of Toronto The first scholarly book dedicated to this Canadian landmark Casa Loma situates the famous house on the hill within Toronto's architectural urban and cultural history Casa Loma was not only an outsized home for the self appointed Lord Toronto but a statement of Canada's association with empire an assertion of the country's British legacy During and after the Pellatts occupation Casa Loma was a major landmark and it has since infiltrated the iconography and collective memory of the metropolis The reception of Casa Loma variously loved and abhorred by Torontonians reflects many of Toronto's major aspirations and anxieties about itself as a modern city Across ten chapters this book charts the history of Casa Loma from the purchase of the estate atop Davenport Ridge in 1903 and its construction from 1906 through to its sale and the dispersal of its contents in 1924 its subsequent life as a hotel and finally its transformation into one of the city's major entertainment venues Casa Loma brings to light a wealth of hitherto unpublished archival images and documentation of the house's visual and material culture weaving together a textured account of the design use and life of this unique building over the course of the twentieth century
