read the Bible through in 365 days These intentions are good but the reading plan they choose may not be the most effective one for reaching the goal Every Day with Jesus Daily Bible manages to overcome many difficulties of reading the Bible straight through in a year From day one the plan provides rich variety in the readings Each day includes a selection from The Old Testament The New Testament Psalms Proverbs There s also a devotion from beloved pastor Selwyn Hughes that is linked to one of the four readings for the day Those who follow this plan will read the entire Bible in a year Reading the four different Scripture portions each day has the benefit of introducing many readers to passages they have never explored And this is done in a context where encountering the four different Scripture selections together at the same time will yield new insights into God s Word

we were created but what to do when life gets bad Being a Christian means happiest Joy It means you get that white picket fence and have friends that bring you companionship Hardship and spiritual warfare may be words that Christians know but it s not exactly something we talk about Job is a complicated and messy story because it address the elephant in the giant room that is Christianity that believing in God doesn t mean happiness Or wealth Or even goodness Job is a story that teaches us an ugly truth about what we believe that things aren t always better on the other side of the mountain that good things don t always happen to good people and that sometimes life is just messed up Most people know the story of Job He s the guy who had bad things happen to him But we often look to the story as more a Sunday school fairytale Sure it s believable But we often look at it as a moral tale about a guy who had it all taken away There s more to it than that Rarely do we study it to find out what God is trying to teach us The lesson here is deep and one every believe should hear **Baptist**
