The Other Casanova Paul Nettl,1950 **Casanova** S. Guy Endore,1929 *Casanova's Life & Times* David John Thompson,2024-01-30 This is both the life of Giacomo Casanova and a chronicle of eighteenth century Europe Giacomo Casanova 1725 1798 was born the son of a moderately poor acting family at a time when the stage carried enormous social stigma Yet in his own lifetime he achieved celebrity across Europe rubbing shoulders with numerous of the eighteenth century s greatest men and women from Frederick the Great to Catherine the Great from Voltaire to Albrecht von Haller from Pope Benedict XIV to Pope Clement XIII It was a fame that had little to do with his romantic exploits This was to come later following upon the posthumous publication of his magnificent History of My Life An adventurer and a man of learning his was an extraordinary life whose story was intertwined with the story of eighteenth century Europe To try to understand this fascinating character we need also to try to understand the period in which he lived This is the aim of Casanova s Life and Times **Casanova** ,1930 [Casanova's Homecoming](#) Arthur Schnitzler,2006-07 Casanova was in his fifty third year Though no longer driven by the lust of adventure that had spurred him in his youth he was still hunted athwart the world hunted now by a restlessness due to the approach of old age His yearning for Venice the city of his birth grew so intense that like a wounded bird slowly circling downwards in its death flight he began to move in ever narrowing circles Again and again during the last ten years of his exile he had implored the Supreme Council for leave to return home Erstwhile in the drafting of these petitions a work in which he was a past master a defiant wilful spirit seemed to have guided his pen at times even he appeared to take a grim delight in his forwardness But of late his requests had been couched in humble beseeching words which displayed ever more plainly the ache of homesickness and genuine repentance *Casanova's Homecoming* Arthur Schnitzler,1922 What happens to the great lover when he is old and no longer great **Casanova's Journey Home and Other Late Stories** Arthur Schnitzler,2002 The ageing Casanova struggling in vain to regain his youth a beautiful young Viennese socialite compelled to sell her honour in order to save her family from disgrace a disdainful lieutenant driven to the edge by his compulsive gambling such are the characters we encounter here all of them Schnitzler types who appear again and again infinitely varied and delicately nuanced throughout the author s dramas and prose works A physician by training Schnitzler was essentially interested only in cases involving nervous and mental disorders he practiced medicine half heartedly for a few years before turning exclusively to writing and it was here that he delved deeply into the psyches of his characters and laid bare their innermost fears and desires His contemporary Sigmund Freud recognised in Schnitzler s work an approach to the understanding of the human mind so strikingly similar to his own that he considered the writer his virtual Doppelg nger **Casanova's Return to Venice** Arthur Schnitzler,2013-03-07 His yearning for Venice the city of his birth grew so intense that like a wounded bird slowly circling downwards in its death flight he began to move in ever narrowing circles One of Schnitzler s most poignant evocations of the passing of time and the ironies of sentiment and love Casanova s

Return to Venice tells the story of an ageing Casanova's desperate desire to return to the city he truly loves after a life of exile a desire which is contrasted with his still libidinous and sensuous yet weary pursuit of women money and prestige
