## Our Big Red Story:

*Our Big Red Story Book* Odille Ousley, David H. Russell, 1957      **Turn Loose Our Death Rays And Kill Them All!** Fletcher Hanks, 2016-11-30 Fletcher Hanks was the first great comic book auteur he wrote penciled inked and lettered all of his own stories He completed approximately 50 stories between 1939-1941 all unified by a unique artistic vision Whether it's the superhero Stardust doling out ice cold slabs of poetic justice or the jungle protectress Fantomah tearing evildoers from limb to ragged limb contemporary readers are stunned by the pop surrealism and outright violent mayhem of Hanks work Originally featured in two paperback volumes this deluxe hardcover collects for the first time all of Hanks previously published material plus several gems newly discovered for this volume making this the very first complete collection of the works of Fletcher Hanks      **Airman**, 1970      **Our Philadelphia** Elizabeth Robins Pennell, 1914      The Saturday Evening Post, 1911      **The Garden Magazine**, 1913      **Boys' Life**, 1963-01 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting      *Our Young People*, 1916      Our World, 1923      **Our Players' Gallery**, 1906      *The Dairymen's League News*, 1925      **Our Navy**, 1930      **How Schools Help Us** M. K. Hage, Robert H. Ryan, 1962 Explains how schools teach children to help play work and develop friendships      The Ball Park Boys Shade Jones, 2011-12-19 Excerpt from Making Money He then gave Tommy a hard pull on both of his ears causing him to cry out and fall to the ground Gary lunged towards the nasty smelly man but I moved quicker and jumped in front of him I knew as quick as the razor sharp knife had disappeared into his pocket it could reappear The Ball Park Boys always stuck together and would defend each other but this wasn't a fight they could win today I'm giving you ten traps and if you want to make some money catch me some muskrats Don't screw up their hides and you better not lose any of my traps you little punks got that the nasty smelly man said as he glared at us with those beady mean looking eyes Gary and Tommy both had a look on their face that I had not seen before The look wasn't one when we had been behind in a baseball or football game and the other team would taunt us or call us names This look was different This look was one of anger and bitterness I knew one day I may not be able to stop them should we encounter the nasty smelly man and he started messing with Tommy again Excerpt from The Best Boat Ever We are now going faster and backwards down the rapids In unison Tommy and Jerald who had not said a word since we launched began screaming at the tops of their lungs They knew the end was near They wouldn't even get to see what large tree or rock that we would crash in to would send them flying out backwards and then watch as our new death wagon slowly fall on top of them pushing them to their watery graves These thoughts made them scream even louder I still had a death grip on my pole and was keeping it under water as we raced backwards Suddenly it stuck in the mud and sand on the bottom knocking me forward into the backs of Jerald and Tommy This made them only scream louder as they knew the end was near I never let go of the grip on my pole and as I regained my balance our boat miraculously stopped and very slowly the front began to turn

back into the middle of the river The river had now widened and was much deeper and yes calm After our boat spun around straight I pulled my pole out of the hole it was stuck in and gave up a slight push The water had become quiet and was moving slowly We had just survived death Our boat was still floating although it had a couple inches of water in the middle Gary Tommy and Jerald all turned to look at me They gazed at me with a strange look Excerpt from Baseball It didn't matter that blood was coming from our sliding arms and hands We had played on much rougher infields before We executed our much practiced method of pop up sliding when stealing a base We would never turn to look for a ball or in this situation people coming after us It didn't matter we were on our feet racing down the long driveway Our feet were barely touching the ground and when we reached the railroad tracks we only went faster We were racing towards home towards safety We were not going to stop until we were at the Ball Park or home base That was all that mattered now We would be safe there we would be home
