The Covenant Life David D. Cho, 2020-05-28 This book teaches Christians about their God given purpose in life Many people may not know their purpose in life even after they become believers in Jesus Christ The Bible shows that each believer is a covenant being meaning that he she has a God given spiritual purpose in life a covenant Abraham Joseph Daniel Nehemiah Peter John and Paul lived covenant lives before God It is important that each believer realizes and believes that he she has a personal covenant with God just like these people although his her personal covenant is different from those of biblical figures The covenant life is inextricably related to our life of holiness or sanctification Sanctification is the way through which this covenant is actualized in our life Thus the covenant gives the answer to the question Why am I here And sanctification gives the answer to the question How should I live that life in the world The covenant person lives as a steward of Jesus Christ The stewardship is the guiding principle for this person as he relates to material things in the world And justice is the guiding principle for the covenant person as he relates to other people

The Covenant & the Promises of God Dr Lawrence Ajayi, 2020-05-18 In this book the covenant and the promises of God the Father and God the Son had in an agreement regarding the elect being the children of God from the covenant statutes This covenant was made before the universe was created and it consisted of the Father promising to bring to the Son all whom the Father had to give the world The Eternal Covenant then leads to the Covenant of Grace Whereas the Eternal Covenant was made between the Father and the Son the Covenant of Grace was made between God and Man In this latter covenant God promises to Man eternal salvation based upon the sacrifice of Jesus on the cross The manifestation of that covenant occurs in our world in a sequence of additional covenants that God made with individuals This leads to liberation from poverty sicknesses and destruction Such as well and examples is well treated in this book from Abraham Isaac Jacob

God's Covenant and Our Duty Samuel Willard, C. Matthew McMahon, 2015-05-06 Samuel Willard 1640 1707 was a reformed preacher of the Gospel in the old South Boston Church in New England president of Harvard University and one of the great Calvinistic teachers of his day It is not enough in being a Christian to simply claim Christ as our Savior and Lord Our lives must demonstrate that Christ is working in us and through us by His Spirit This book by Samuel Willard teaches Christians about God s condescension to us by way of His covenant and in light of that how we are to live before Him

Willard covers the basics of the Covenant of Redemption Covenant or Works and Covenant of Grace to more fully explain and teach the biblical mandate and obligation to perform our duty in God's covenant Christians cannot just profess that Christ is Lord their outward actions must demonstrate the reality of the Spirit's work in their daily lives He covers what it means to keep covenant with God what a covenant breaker is how covenant mercies are applied to Christians and how we are to use the covenant promises found in Scripture for our sanctification In the second half of the work he applies the uses of this teaching to both adults and to the children of believers and how each of them are obliged to keep covenant before God in specific ways Also added to this work is a covenant renewal sermon called *The Necessity of Sincerity in Renewing Our Covenant* which shows that it is not enough to go through the motions before God in living before Him but to have a right heart in engaging with God through His covenant promises This is an exemplary work of the highest caliber on Covenant Theology holding such a high practical aspect to the teaching as well as the foundational biblical truths concerning Christ's work and merit on behalf of His people

The New and Everlasting Covenant Josh Savage, 2025-01-14 The New and Everlasting Covenant is a great gift that God has given to His children However for many the term is not well understood but modern revelation gives us hope The Book of Mormon's title page declares its primary purpose is to help us know the covenants of the Lord that we are not cast off forever Through latter day prophets we know the breadth of the covenant its associated promises and the power which flows from it In *The New and Everlasting Covenant* Joshua Savage draws upon the scriptures and the words of latter day prophets to reveal the multi-faceted nature of the New and Everlasting Covenant showing that The covenant is rooted in the nature and character of our Heavenly Father Jesus Christ underwrites the eternal promises of the covenant and the cost of our developmental experiences on earth Three eternal events the creation of the earth the fall of Adam and Eve and the atonement of Jesus Christ are divine fulcrums around which each of our eternal destiny's pivot The covenant includes conditions obligations and ordinances which provide us with personal protection and motivation to keep our covenant The covenant is more than some impersonal contract it is a covenant of love and is offered to us by God on the most generous of terms God has arranged the covenant so our knowledge of and gratitude for Him can expand This book will introduce you to The New and Everlasting Covenant in a powerful way It will change your relationship with your Heavenly Father and accelerate your journey along the covenant path as you more fully realize the transformative power of the covenant relationship with God in your life

Covenant John H. Walton, 2010-08-10 As one of the most prominent themes in Scripture the covenant is crucial to all Christian theological systems from dispensationalism to covenant theology to theonomy to liberation theology One would think that by now all controversies have been exhausted but an issue of this magnitude can never finally be laid to rest Because disagreements persist there is room for yet another attempt to study the covenant and improve our understanding of it This book proposes that the path toward an evangelical consensus is not to be found in building another modified systematic theology but in a biblical theology approach Grounded in this

approach John Walton's perspective is that while the covenant is characteristically redemptive formulated along the lines of ancient treaties and ultimately soteric it is essentially revelatory. This view in turn has implications regarding the continuity or discontinuity of the covenant phases, the conditionality of the covenant and our understanding of the people of God. And this ultimately affects the way the Old Testament is preached and taught. Walton's thesis is an important contribution to the discussion of the covenant and the attempts to find common ground among evangelicals of diverse theological traditions.

Covenant with God David L. Mahan, 2023-10-24. *Covenant with God: A Biblical and Historical View at Healing Our Nation* is a labor of love truly focused on returning to God as a nation and examining how our country, which was founded on God's principles and Judeo-Christian values, has gotten off track so significantly and what we need to do as a nation to get back to where God is first in every aspect of our society. Then the covenant our Founding Fathers made with God will be restored and we can once again enjoy the full blessings of favor, peace and protection from our God for our nation.
