Our Ending Dark Age:

Our Ending Dark Age Stephen M. Barr, 2000-10-17 Our future can turn out in one of several ways and it is humanity that must make the decision of which one it will be Only one will be truly to mankind s advantage Why this is so is the thrust of Our Ending Dark Age Its premise is that when humans began using tools we began to separate from nature The long process of going from nature to separating from nature is our Dark Age or Age of Adjustment Mankind s best future is that wherein he is completely separate from nature Why this is so is analyzed in Our Ending Dark Age as humankind s biology psychology evolution economics education entrepreneurship and society are examined This is done using the platform of history as the tie that holds all of these seemingly divergent subjects together The role religion and opinion play in deciding the course of civilization is examined The reader is then taken on an excursion that begins with the cellular basis of human anatomy the meaning of Soul and Spirit and traces history from our hunter gatherer days to the magnificent future that awaits us if we put our minds to it

Dark Ages Valerie L Price, 2015-12-18 From the Holy Land and the long Crusades to European kingdoms 20th Century Paris Venice and New Orleans Dark Ages sweeps the reader into a world of intrigue danger and timeless romance Set in the Mid Nineteen Nineties in Southern Louisiana Dark Ages opens a window into the subculture of Liatri people upon whom vampire myths and legends were based Anton Kierkegaard is a wealthy financier trapped in a world of masters and slaves who are governed by their instincts and by ancient laws as old as civilization Into this world he brings a young woman Rachel Frederick Held captive by powerful beings she cannot understand Rachel becomes a pawn in the battle between coldly calculating creatures of the night and the men who pursue them Rachel must learn to survive at the center of a clash of cultures questioning everything she has ever believed even her own sanity

The Dark Ages of My Youth Ward Degler, 2011-06-15 When Ward Degler graduated from journalism school his mother speculated he would become a world famous war correspondent or at the very least editor in chief of an influential newspaper He did neither Instead he became a columnist giving him the opportunity to write about subjects that interested him while avoiding everything that didnt In The Dark Ages of My Youth Degler shares a selected collection of the weekly columns written for the Times Sentinel in Zionsville Indiana from 1993 to 2010 The essays explore the way things were where weve been and where we are going He reveals the challenges of an eight year building project that was supposed to be completed in three months He narrates his bafflement in dealing with the worlds most headstrong dog With humor he details the foibles and dilemmas of everyday living And he profiles the special people who have altered and enriched his life From the simple to the complex from the sublime to the silly The Dark Ages of My Youth takes a charming walk through both the past and present
