## **Our Heavenly Mother:**

**Our Heavenly Mother and Daughter** Delbert Burhans, 2018-03-22 The female members of the Godhead are revealed and taught in this book. Here you may discover the truth about the hidden Mother and her Daughter Wisdom. In the God family you may find the Father, Mother, Son and Daughter who make up the Godhead. We were made in their image and likeness. True family values are promoted within the God family above. We are soon to become reunited with our Family from above due to the coming climax of probationary time on planet earth. We can now make our calling and election sure by faith in Jesus Christ for the salvation of our souls and by becoming acquainted with his royal Bride. She is called New Jerusalem and the marriage supper of the Lamb is described in the Song of Solomon. Please join me as we study together the Holy Bible and put the pieces of the puzzle together in knowing the deep things of God. God is now preparing a people to become ready for translation up to paradise even as this earth is entering a darkness of death and destruction from which there will be no survivors. As earth will be desolated without people for one thousand years the saved and chosen people will be with their Creators the God family. We will rejoice to meet our heavenly family along with the angels and saved people from times past. There we will attend the royal wedding ceremony where Jesus will marry his beautiful Bride. She is a divine person who has many names such as New Jerusalem, Wisdom, Shekinah, Glory and Daughter of Zion. As ransomed human beings from sin and death we are adopted into the royal family by faith and will be reunited in the proper time of God's providence. After the marriage festivities we will understand why God allowed sin and suffering as a temporary probationary training time for angels and humanity. After this one thousand years expire we with the holy city New Jerusalem will come back to planet earth. All the wicked dead will be raised up. Satan will deceive them one last time and gather them to surround the holy city New Jerusalem. Then the final Judgement takes place. The sinners realize why they are lost and cannot enter God's paradise due to their continued rebellion against God's righteous law of love. Eventually they will all bow down and confess Jesus Christ as Lord to the glory of God. They die the second death to sin. They are born again as new creations in Christ and old things are passed away. The saints will possess them and rule over them in the cities in the earth made new. The lake of fire and brimstone does its job of bringing sinners to repentance and death to sin. The fire of God's love and truth torments their consciences day and night until they give up the struggle of holding onto sin. Then death and sin will be destroyed and cease to exist. The earth is re-created new again and the universe is finally in harmony. This book goes into much detail explaining from the Bible about the God family with scripture support. It will truly be a happy reunion and ending after all. We will be immortalized in God's never ending kingdom of love and rejoicing. Join me in this book for the wonderful details of knowing our heavenly Mother above. God is love. Praise God. Cherish 2 explores people's relationship to Mother in Heaven via art poetry testimony and experiences according to the LDS Church's Gospel topics Essay The heart of The Church of Jesus Christ of Latter day Saints is that all human souls are the literal spirit children of God Heavenly Father and Heavenly Mother The testimony of the Savior Jesus Christ is central to this doctrine as He is the way the truth and the life for all people to return to our Heavenly Parents after our earthly lives The doctrine of unified Heavenly Parents has been taught since the Latter day Saints organized as a church in the early 1800s There is no official statement from Joseph Smith teaching that God is a married male female couple but there are many teachings by other Church leaders referring to this concept Eliza R Snow and W W Phelps two prominent writers when the Latter day Saints immigrated to Utah further spread this knowledge through their poetry essays and speeches Recent generations however have not been directly taught the doctrine of Heavenly Mother working in conjunction with the Father for the benefit of Their children A myth in the culture of membership arose in the 1960s that out of respect people should not discuss the belief that Heavenly Mother exists let alone teach it in public settings and elaborate upon what that could mean for relationships in marriage and generally between men and women This sacred silence has been erroneously taught as doctrine for decades In 2010 a team of researchers at Brigham Young University embarked on a search in historical records to find as many quotes as they could from Latter day Saint leaders about Mother in Heaven They did not find an injunction from a prophet or apostle that people must not speak of Her Instead they found hundreds of references to Heavenly Parents and our Eternal Mother God by prophets apostles and other church leaders over the entire history of the Church Their report served as the base for a Gospel Topics essay doctrinal statements approved by the First Presidency to summarize historical teachings of the Church that may have become confused over time The Gospel Topics essay titled Mother in Heaven was released to the public on October 23 2015 Cherish the Joy of Our Mother in Heaven and Cherish 2 The Love of Our Mother in Heaven have been guided by this Gospel Topics essay In those few paragraphs we find many statements of belief and doctrine about the nature of God and the eternal destiny of all people Many individuals have shared their joy love and faith in our Mother in Heaven within these books and we hope their testimonies will strengthen you as well    **What's in a Name?**

Beecher, Lavina Fielding Anderson, 1987 This book of essays about Mormon women all written and edited by scholars who are themselves Mormon women is a brave and important work Readers will fully appreciate just how brave and important it really is however if they can see how this work of historical theology fits into the history of historical writing about Mormon women as well as how it fits into Mormon history itself The women who contributed to this book are among the best of the Mormon literati they hold that there is hope within the church for change for reform for expansion of the place of women Women's Review of Books Historians of women in America have a great deal to learn from the history of Mormon women This fine set of essays provides an excellent introduction to a subject about which we should all know more Anne Firor Scott author of *Making the Invisible Woman Visible* *Messages from Our Heavenly Mother to Her Children* Mary (Blessed Virgin, Saint (Spirit)), Ray Doiron, 1994 *Fifty Years of Exponent II* Katie Ludlow Rich, Heather Sundahl, 2024-08-26 On a sweltering day in June 1974 a group of housewives graduate students and young professionals gathered in the Boston suburbs Their mission to produce the first issue of *Exponent II* a humble yet sincere newspaper poised on the dual platforms of Mormonism and Feminism They viewed their work as an act of devotion not rebellion and were naive of the cold reception they would soon receive from LDS Church leaders Nevertheless the paper became a national platform connecting Mormon feminists It provided a vital space for them to question and integrate different aspects of their dual and sometimes dueling

**Heavenly Mother** Victor Worth, Sherri Worth, 2023 The doctrine of the Church of Jesus Christ of Latter-day Saints that we have a

Mother in Heaven as well as a Father in Heaven is both distinctive and cherished But many Saints have expressed disappointment that our knowledge of Heavenly Mother is so limited Most will be pleasantly surprised to learn that there is already a wealth of information about her in the standard works of the Church And when we include other books that Saints in ancient times recognized as scripture but which over the centuries were excluded from the scriptural canon the abundance is even greater This is our effort to bring together as many of these references and traces as we could together with important modern context Back cover

Sister Saints Colleen McDannell, 2018-10-02 The specter of polygamy haunts Mormonism More than a century after the practice was banned it casts a long shadow that obscures people's perceptions of the lives of today's Latter-day Saint women Many still see them as second class citizens oppressed by the church and their husbands and forced to stay home and take care of their many children Sister Saints offers a history of modern Mormon women that takes aim at these stereotypes showing that their stories are much more complex than previously thought Women in the Utah territory received the right to vote in 1870 fifty years before the nineteenth amendment only to have it taken away by the same federal legislation that forced the end of polygamy Progressive and politically active Mormon women had a profound impact on public life in the first few decades of the twentieth century They then turned inward creating a domestic ideal that shaped Mormon culture for generations The women's movement of the 1970s sparked a new vigorous and hotly contested Mormon feminism that divided Latter-day Saint women By the twenty-first century more than half of all Mormons lived outside the United States and what had once been a small community of pioneer women had grown into a diverse global sisterhood Colleen McDannell argues that we are on the verge of an era in which women are likely to play a greater role in the Mormon church Well educated outspoken and deeply committed to their faith these women are defying labels like liberal and conservative traditional and modern This deeply

researched and eye opening book ranges over more than a century of history to tell the stories of extraordinary and ordinary Latter day Saint women with empathy and narrative flair     *The LDS Gospel Topics Series* Matthew L Harris,Newell G. Bringhurst,2020-09-15 This anthology provides a scholarly in depth analysis of the thirteen Gospel Topics essays issued by the Church of Jesus Christ of Latter day Saints from December 2013 to October 2015 The contributors reflect a variety of faith traditions including the LDS Church Community of Christ Catholic and Evangelical Christian Each contributor is an experienced thoughtful scholar many having written widely on religious thought in general and Mormon history in particular The writers probe the strengths and weaknesses of each of the Gospel Topics essays providing a forthright discussion on the relevant issues in LDS history and doctrine The editors hope that these analyses will spark a healthy discussion about the Gospel Topics essays as well as stimulate further discussion in the field of Mormon Studies     [Value of the Vagina: How to Make Any Man Do Anything](#) Ronnie Bo,2016-09-15 Is the value of money determined by the Value Of The Vagina Are all women worthy of worship Could one woman change the whole world The answer is yes Yes and YES Why would you allow any man to use you and abuse you like a pet when you could be the master of every man and make them all your puppets Why allow your emotions to be played with like a game when you could be worshipped as a goddess Why allow any man to treat you like trash when you are truly every man s treasure The answer is you don t know your worth You Don t Know Your Worth and YOU DON T KNOW YOUR WORTH Close your legs and open your mind This book contains the key to unlock the psychological chains on your mind so that you could open the doors to freedom fortune and fame This is a man s world But before it was a man s world it was a woman s world And now with this guide available to women worldwide this world will soon be ruled by women once again     [Are Christians Mormon?](#) David L.
