Our Land Native Rights In Canada:

Native Rights in Canada Peter A. Cumming, Neil H. Mickenberg, 1972 Provides a treatise on the law of aboriginal rights and treaties the historical pattern of dealing with those rights and an exposition of the alternative judicial and legislative solutions for the settlement of native claims Extensively revised and enlarged **Native Rights in Canada** Indian-Eskimo Association of Canada, 1970 Report on research project on treaty and aboriginal rights of Canadian Indians and Eskimos

Hearings, Reports and Prints of the House Committee on Interior and Insular Affairs United States. Congress.

House. Committee on Interior and Insular Affairs, 1979 *Let Right Be Done* Hamar Foster, Heather Raven, Jeremy Webber, 2011-11-01 In the early 1970s many questioned whether Aboriginal title existed in Canada and rejected the notion that Aboriginal peoples should have rights different from those of other citizens. But in 1973 the Supreme Court of Canada issued a landmark decision in the Calder case confirming that Aboriginal title constituted a right within Canadian law. *Let Right Be Done* examines the doctrine of Aboriginal title thirty years later and puts the Calder case in its legal, historical and political context both nationally and internationally. With its innovative blend of scholarly analysis and input from many of those intimately involved in the case, this book should be essential reading for anyone interested in Aboriginal law, treaty negotiations and the history of the BC Indian land question.

Transportation of Alaskan Natural Gas United States. Congress. House. Committee on Interior and Insular Affairs. Subcommittee on Indian Affairs and Public Lands, 1977 **The Transportation of Alaskan Natural Gas** United States. Congress. House. Committee on Interior and Insular Affairs.

Subcommittee on Indian Affairs and Public Lands, 1977 *Our Land* Donald J. Purich, 1986 Our Land explains how Canada's aboriginal peoples were brought to their current state of depredation and what they propose to do about it **Struggle for the Land** Ward Churchill, 2002-09 Landmark work illustrates the history of North American indigenous resistance and the struggle for land rights.

Aboriginal Peoples and Natural Resources in Canada Claudia Notzke, 1994 The most current and comprehensive book of its kind Aboriginal Peoples and Natural Resources in Canada explores the opportunities and constraints that aboriginal people encounter in their efforts to use water resources, fisheries, forestry resources, wildlife, land and non-renewable resources and to gain management power over these resources. This examination begins with a historical perspective and takes into account cultural, political, legal and geographical factors. From the contemporary research of the author, the reader is informed of the most current developments and provided with a well-reasoned outlook for the future. This book is an essential resource for aboriginal people engaged in the use and management of natural resources and for those who seek professional training in the field. Anyone wanting to know more about the social and environmental issues pertaining to more responsible and equitable environmental and ecological management will find a wealth of information in this volume.

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Canada, Native Land Rights and Northern Development* Peter A. Cumming, 1977 History of native rights and land claims in Canada

Aboriginal Peoples in Canada James S. Frideres, Lilianne Ernestine Krosenbrink-Gelissen, 1998 Novelists academics and politicians have been inspired for years to write about their observations of Aboriginal people. While most Canadians have few encounters with Aboriginal people all of us will speak about their plight and place in Canadian society. Sometimes you will be in agreement on other occasions you will differ. My goal in writing this book is to provide a critical interpretation of the person on the street's thinking about Aboriginal people in our society. Most textbooks are written from the point of view of the dominant majority. They generally advocate a universalistic view that reflects the dominant perspective. The material presented in the present book looks at ethnic relations from another position than that of the minority groups. Using an historical structural perspective the material presented attempts to provide a macro theory of intergroup relations involving Aboriginals and non-Aboriginals.

Preface **Indian Reserves and Aboriginal Lands in Canada** Richard H. Bartlett, University of Saskatchewan. Native Law Centre, 1990. This comprehensive study of the law and history of land claims of Indian, Metis and Inuit peoples in Canada traces the development of the law from early settlement to current concerns and includes a table of cases and a table of authorities

Debates of the House of Commons of the Dominion of Canada Canada. Parliament. House of Commons, 1880 *Canada's First Nations* Olive Patricia Dickason, David McNab, 2009. Canada's First Nations is a comprehensive history of Canada's original inhabitants. Using an interdisciplinary approach that combines techniques from history, anthropology, archaeology, biology, sociology and political science, the story of the more than 50 First Nations of Canada is carefully woven together. A central argument in the text is that Amerindians and Inuit have responded to persistent colonial pressures through attempts at co-operation, episodes of resistance and politically sophisticated efforts to preserve their territory and culture. The fourth edition has been fully updated to include current topics such as the effects of global warming on the Innu, the Ipperwash Inquiry and the Caledonia land claims dispute. This is a text that transcends the familiar and narrow focus on Native-White relations to identify the history of the First Nations as a separate and proud tradition.

The Canada Law Journal, 1885 *Canadian Bankruptcy Reports Annotated*, 1923 *Canadian Magazine of Politics, Science, Art and Literature*, 1920 *Report of the Select Committee on the Boundaries Between the Province of Ontario and the Unorganized Territories of the Dominion, with Appendix* Canada. Parliament. House of Commons. Select Committee on Boundaries between Ontario and Unorganized Territories, 1880 **Group Rights** David Ingram, 2000. Ingram philosophy Loyola University brings a variety of current social dilemmas together in a mutually illuminating way. He examines the concept of legal equality in a multiracial society by considering issues such as self-governance for Native Americans, the rights of immigrants, affirmative action and racial redistricting. He also tackles the problem of social injustice in a global setting by assessing the negative impact of free trade policies on the rights of groups to self-determination and cultural integrity.
