Our Merciful Judge Trusting Gods Fairness

Richard V. Shriver

Our Merciful Judge Trusting Gods Fairness:

Our Merciful Judge Marshall Shelley,1994 This study guide helps us to understand the ways of God to glimpse his eternal purposes in circumstances that from a human point of view do not seem fair It also reveals why the Lord is worthy of our trust *J. I. Packer and the Evangelical Future (Beeson Divinity Studies)* Timothy George,2009-10-01 J I Packer is one of the most significant evangelical theologians of the last one hundred years In this book a team of leading scholars including Chuck Colson Mark Dever Timothy George Bruce Hindmarsh Edith Humphrey James Earl Massey Alister McGrath David Neff and Richard John Neuhaus assesses Packer s impact on evangelicalism over the past half century and asks what more we can learn from him about ministry and the evangelical future J I Packer himself offers a response and reflection The book also includes a full bibliography of Packer s writings which is the most comprehensive listing of his writings in print [Our God Provider](#)

Lin Johnson,1994 This study guide reveals God s amazing goodness and faithfulness to those He loves You will discover the kinds of gifts God delights in giving us And you will realize the abundant resources that are ours through Jesus Christ

Our Powerful Helper Marshall Shelley,1994 When we face challenges that seem beyond our abilities how can we receive God s help When we need strength to make it through the day how can we experience God s power This study guide encourages you to rely on God s strength each day It reveals the powerful resources available to us in Christ and why God is eager to help us when we need Him most

The Joy of Trusting God Bill Bright,2005 This helpful and inspirational book makes the timeless promise that if readers know God they will be able to trust God **Our Wise Counselor** Phyllis Bennett,1994 The decisions we make set the direction of our lives and have a powerful impact on others How can we receive God s guidance for the choices we make This study guide reveals why wisdom is one of God s greatest gifts to his children It shows you how to grow in godly wisdom and how to become more sensitive to the Spirit s leading [Our Faithful Friend](#)

John D. Sloan,1994 The Bible is God s communication to all who hear or read it Through its varied contents the Triune Lord tells us about Himself and calls us to himself A proper understanding of the Bible will focus at every point on both the information about God and the invitation to know Him **God, Who Are You Anyway?** Bill Bright,Brad Bright,2019-03-05

We can trace all our human problems to our view of God In one of his greatest contributions to the Body of Christ Bill Bright addresses questions that Christians of all paths ask These questions include Do your experiences shape how you see God or Does your view of God shape how you see your experiences Do you experience daily the joy and peace Jesus promised all his followers or Are you stuck on an emotional rollercoaster driven by today s events God Who Are You Anyway teaches

Christians how to deepen their view of God Readers learn to see problems as opportunities to see God work *The Gabriel Letters* Richard V. Shriver,2006-09-28 I stumbled on the idea of writing letters from an archangel advising a young guardian in an introduction to C S Lewis Screwtape Letters I wanted to find a way of looking at our human problems from a divine perspective It has been a marvelous experience of standing back and imagining that I can see the world through angel eyes It

is an impossible task of course but the amazing result for me has been a sense of objectivity and good will The intended purpose of the letters is to take seriously the idea of God's complete love This idea is the center of Christianity It is Jesus message and it is St Paul's good news We live in an age when institutions of religion are taking a beating from the media from popular fiction in books and cinema from those who proclaim cheap or distorted theology and from our obsessive desire for wealth power and material things The idea of an ideal church is still our hope a community of people gathered out of a love of God and a concern for each other to serve their community and their world These letters offer advice in creating such an ideal church

Who Do You Say that I Am? Calvin E. Shenk, 1997 Can we respect other religions and still view Christ as normative for all Yes says Calvin E Shenk For Christians candid commitment to the uniqueness of Christ is to be accompanied by the integrity of Christ opening the way for nonconfrontational dialogue

Lord of the Dance Deidre Bobgan, 1987
