Methuselahs Heart Sequel To Methuselahs Gift:

The Maxims of Methuselah Gelett Burgess,1907 Humorous rendition in scriptural verse of the great patriarch's views on the wiles of women **Chasing Methuselah** Todd T. W. Daly,2021-02-04 The quest to live much longer has moved from legend to the laboratory Recent breakthroughs in genetics and pharmacology have put humanity on the precipice of slowing down human aging to extend the healthy life span The promise of longer healthier life is enormously attractive and poses several challenging questions for Christians Who wouldn't want to live 120 years or more before dying quickly How do we make sense of human aging in light of Jesus' invitation to daily take up our crosses with the promise of the resurrection to come Is there anything wrong with manipulating our bodies technologically to live longer If so how long is too long Should aging itself be treated as a disease In *Chasing Methuselah* Todd Daly examines the modern biomedical anti aging project from a Christian perspective drawing on the ancient wisdom of the Desert Fathers who believed that the incarnation opened a way for human life to regain the longevity of Adam and the biblical patriarchs through prayer and fasting Daly balances these insights with the christological anthropology of Karl Barth discussing the implications for human finitude fear of death and the use of anti aging technology weaving a path between outright condemnation and uncritical enthusiasm *The Methuselah Project* Rick Barry,2015-09-24 Nazi scientists started many experiments One never ended Roger Greene is a war hero Raised in an orphanage the only birthright he knows is the feeling that he was born to fly Flying against the Axis Powers in World War II is everything he always dreamed until the day he's shot down and lands in the hands of the enemy When Allied bombs destroy both his prison and the mad genius experimenting on POWs Roger survives Within hours his wounds miraculously heal thanks to those experiments The Methuselah Project is a success but this ace is still not free Seventy years later Roger hasn't aged a day but he has nearly gone insane This isn't Captain America just a lousy existence only made passable by a newfound faith The Bible provides the only reliable anchor for Roger's sanity and his soul When he finally escapes there's no angelic promise or personal prophecy of deliverance just confusion It's 2015 and the world has become an unrecognizable place Katherine Mueller crack shot genius and real Southern Belle offers to help him find his way home Can he convince her of the truth of his crazy story Can he continue to trust her when he finds out she works for the very organization he's trying to flee Thrown right into pulse pounding action from the first page readers will find themselves transported back in time to a believable full colored past and then catapulted into the present once more The historical back and forth adds a constantly moving element of suspense to keep readers on the edge of their seats **Methuselah's Heart** Mary Elizabeth Edgren,1995 The delightful racoon Posie who found salvation in Methuselah's Gift has made a commitment with her friends to follow the Maker in every way possible Taking dangerous risks Pose and her friends try to learn more about their Maker and attempt reconciliation by helping their enemies NRSV HarperCollins Catholic Gift Bible--Old Testament Harper Bibles,2009-11-10 The New Revised Standard Version is recognized in scholarly circles as the most
