## **Meyerbeer Deuxieme Edition:**

Meyerbeer's Les Huguenots Robert Ignatius Letellier, 2014-06-02 On 29 February 1836 *Les Huguenots* a grand opera by Giacomo Meyerbeer 1791 1864 with words by Eugène Scribe 1791 1861 and mile Deschamps 1791 1871 was performed for the first time at the Paris Opéra. It was to be one of the most successful productions ever staged at the Opéra with 1 126 performances in Paris over the next hundred years and in the process breaking all box office records. It became Meyerbeer's most popular work with thousands of stagings throughout the world. *Les Huguenots* is a huge exploration of faith, tolerance, hatred, extermination, love, loyalty, self-sacrifice and hope in despair. It is the first panel in a central diptych on the Reformation at the heart of the wider tetralogy of Meyerbeer's grand operas where issues of power, religion and love are examined in a variety of modes. For five years after the sensational premiere of *Robert le Diable* Meyerbeer worked on this gigantic drama partly adapted by Scribe from Prosper Mérimée's *Chronique de Charles IX*. Meyerbeer matches the text in drama, splendour and ceremony, it combines theatricalism with profound depths of feeling. Its gorgeous colouring, intense passion, consistency of dramatic treatment and careful delineation of character secured for this work vast fame and influence. It was an epoch-making opera an enduring monument to Meyerbeer's fame. The music for this sombre tapestry of the Saint Bartholomew Massacre springs from the core of the vivid action and creates a panoramic alternation of moods that capture the tragedy of religious intolerance and personal anguish in one of the most fraught events in history when some 30 000 French Protestants were murdered during 24 August 1572. Meyerbeer's music rises to the occasion and reaches sublime heights of music drama especially in the fourth and fifth acts with the Blessing of the Daggers one of the most electric scenes in all opera, the more powerful Love Duet and the Trio of Martyrdom in the last moments of the opera. Spectacle was incorporated in the plot in Meyerbeer's concern to conjure up the couleur locale of those heroic times. In spite of the overwhelming dramatic power and the instrumental riches of the score the most significant aspect of the work came to be regarded as the supremacy of the seven principal vocal parts. Performances of *Les Huguenots* at the Metropolitan Opera in New York during the 1890s were among the most famous in operatic history. Meyerbeer's L'Africaine Robert Ignatius Letellier, 2022-03-04 *Vasco de Gama* was the last collaboration between Giacomo Meyerbeer and Eugène Scribe the famous playwright and librettist. The work had intermittently preoccupied them both since 1838 and it had become legendary as *L'Africaine* years before its completion. The first version of the opera became known as the *Vecchia Africana* of the long years of Meyerbeer's anxious labours on this most troublesome of his operas. An adoring public gave Meyerbeer a tumultuous posthumous accolade on the première of *L'Africaine* on 28 April 1865 a year after his death. This opera which involved Meyerbeer and Scribe's creative energies for so long includes in one last and splendid achievement many of the elements that had hitherto featured in varying degrees in all their other joint creations. Both composer and librettist were men of immense imagination and genius. Between them they created four works of great power and beauty that radically affected the history of opera. This study examines the origins and

creation of the opera its dramaturgy and musical style the history of its astonishing reception around the world until the 1930s its revival in more recent times One of the special features of the book is the collection of iconography associated with the work and its interpretation by many of the greatest singers of the Golden Age of opera This imagery and many musical examples help to bring out the themes explored in this work more fully    *Catalogue of Imported Music for Piano 4 Hands (2 Performers) ; Classes IX to XIII.* G.
