## **Mi Neva Know Sey:**

Mi Neva Know Sey Erica McKoy-Hibbert,1999     A Poetic Affair Duhaney A. Smith,2010-02 This book is sectioned into four categories that form themes for the poems Love Inspiration Humour and Reflection are all elements of human existence that the writer believes to be crucial hence the decision to write poems based on these themes and to section the book accordingly The book has a very personal appeal The tone that is carried throughout is one that addresses the reader in an intimate manner The writer speaks directly to his audience in the hope of tapping into their emotions He also seeks to offer an inspiring message to the ailing soul encourage persons to look back when they are forgetting what really matters in life and bring laughter to those who might need a break from an all too serious existence There is something special for everyone in this wonderful collectable item The poems take each person into consideration and the themes that are addressed will undoubtedly be significant to them The beautiful verses are accompanied by a collection of stunning pictures that were also taken by the writer These visually tantalizing photos of interesting images taken all over Jamaica and other parts of the world bear relevance to each poem The book therefore makes an ideal gift item for the lover of impressive words or amazing pictures Readers will return to those poems which were most touching each time finding new meaning

*Deep Thoughts*  
Maxine E. Lyons,2009-06-23 As a student in school I have always liked writing essays and stories However it was not until 1996 that the urge to write poetry came over me an urge that I could not resist It was then I penned my first piece called Life Deep Thoughts became my brain child in 2001 when I wrote Double Towers a very prominent work about the destruction of the World Trade Center This work was so accepted giving birth to this brain Child has finally become a reality Deep Thoughts depicts a lot of my life experiences and the every day happenings Some of its pieces also portrays a synopsis of public and private figures alike Compiling this anthology did not take the form of sitting at a computer for hours and write instead most of the poems were writing in the most unusual places Some of my favorite writing venues were restaurants laundry mats clubs parks the bus the train and strange but true the shower We live poetry in our every day lives therefore its not just words written on a piece of paper or in a book it is the reality of existence DEEP THOUGHTS gives you that reality Maxine E

Lyons Author of Deep Thoughts 3 24 09     The Mirror of the Eyes Millicent Morris - Lynch,2017-12-04 The Mirror of the Eyes was inspired by various people whom I have encountered in my life journey It is a melting pot of expressions and cultures that encourages the reader to find himself or herself on several pages The choice in name for this book provides an escape to be gentle with oneself as you are allowed to take a glimpse of souls minds and hearts that come alive through different lens The Mirror of the Eyes provides the opportunity for the reader to make time to heal to reflect to rest in the fact that changes will come and that one should be prepared It is divided into seven segments each segment provides different types of poems for different emotions and times Colors from a Blink exposes the cultural preferences The Soul in Black and White reminds us of our sensitivity and sensibility Both Sides of the Lens shows the struggle between the sexes and

highlights the differences as they are while Eyes of Grain speaks to pain and disappointment When comparing Opaque Lens to Behind the Retina the reader is faced with spirituality and human weaknesses See Through is flirtatious and gives the reader the opportunity to relax in vulnerability and laugh at oneself     **Chat Bout** Janice Hart,2017-09-19 This book is about the daily lifestyle of a true Jamaican country child from earlier times and is still present in the rural parts of Jamaica today It brings back real memories to most Caribbean nationalities who have migrated abroad from earlier years to present and might have forgotten or even often times reminisce on those days It brings laughter and history all at once It is also a tribute to the many peoples that I have come in contact with in this Sojourn including Harry Belafonte Monty Alexander Dr Julius Garvey son of one of our Jamaican national hero Pioneers such as Cleveland Samuel Reid Alonzo Smith and Narciso F Airey It is also a compilation of English poems which depicts our connection to our multi cultural past Out Of Many One People It is also a thank you to my family and friends to whom I am extremely grateful     Jamaican Creole Goes Web Andrea Moll,2015-07-15 Large scale migration after WWII and the prominence of Jamaican Creole in the media have promoted its use all around the globe Deterritorialisation has entailed the contact induced transformation of Jamaican Creole in diaspora communities and its adoption by crossers Taking sociolinguistic globalisation yet a step further this monograph investigates the use of Jamaican Creole in a web discussion forum by combining quantitative and qualitative methodology in a sociolinguistic third wave approach In the absence of standardised orthography one of the central aims of this study is to document the sociolinguistic styling and grassroots anti standardisation of spelling norms for Jamaican Creole in the web forum as a virtual community of practice An analysis of individual repertoire portraits demonstrates that conventionalised spelling variants co occur with basilectal Jamaican Creole morphosyntax in Cyber Jamaican as the digital ethnolinguistic repertoire of the discussion forum The enregisterment of this ethnolinguistic repertoire is closely tied to staged performance which establishes the link between Cyber Jamaican and the negotiation of sociolinguistic identity and authenticity via stance taking     **Touch Mi, Tell Mi** Valerie Bloom,1983 NEW PERSPECTIVES ON THE INTERNET has been updated to cover the newest releases of the three main web browsers including Internet Explorer 9 Mozilla Firefox 4 and Google Chrome With the New Perspectives critical thinking problem solving approach you will learn basic to advanced features of the Internet from Browser Basics to Electronic Commerce     **The Jamaican Deportees** Charlie Brown,2012-01-04 This book is about the effect of U S Illegal Immigration Reform and Immigrant Responsibility Act IIRIRA of 1996 and criminal deportation to Jamaica the issues associated with deportees or deported migrants resettlement and re integration and increased crime and violence in Jamaica which several high ranking police officers and policy makers claimed deportees are responsible for It also represents a dedicated attempt to bridge both lines of inquiry between increased criminal deportation and increased crime and violence in Jamaica over a period of time wherein criminal deportees are constantly being blamed for the high murder rate and alarming crime figures in the country placing deported migrants at a severe disadvantage Based on six years of

studies and notes taking I find that there are two types of deported migrants and over six different categories of us and I write in details about the categories Some people are unreformed or dangerous and are involved in criminal activities based on a variety of factors while the majority are law abiding citizens Quite a few including myself have tertiary degrees meaningful skills and first world experiences that are in demand thus we can contribute to the society in positive ways but we are highly marginalized And the Government especially and some uninformed people in the society discriminate against deported migrants deportees for arcane reasons I write about the issues and challenges that some deported migrants have to deal with the problems that some unreformed or desperate ones have caused the reasons why re integration and meaningful support is necessary how I was abducted or unlawfully arrested by the police and wrongfully prosecuted and unlawfully convicted by a state prosecutor and how I was sentenced to an illegal term of imprisonment by a presiding judge and then wrongfully or inadvertently deported to Jamaica by the ICE even though I am a veteran of the US Army with a service connected injury The IIRIRA of 1996 is a reform of laws that are in need of careful revision in the interest of the American Justice and fairness to non US citizens who are permanent residents of the United States A must read edition
