Michal Rovner Michal Rovner, 2006 **Michal Rovner**, 2006 **Michal Rovner: Fields : [6 April - 29 July 2006 ; Sam and Ayala Zacks Pavilion]** Míkal Rôvner, Muze'on Tel Aviv, Mordechai Omer, 2006 **Fields** Michal Rovner, Régis Durand, Véronique Dabin, Musée du jeu de paume (France) Staff, 2005 Fields focuses on Michal Rovner's unique language her vocabulary of scripts and writings created from the notations of the human figure she has been collecting as part of her ongoing inquiry into the universal aspects of the human condition It includes Rovner's works from the past three years

Michal Rovner Michal Rovner, Elena Ochoa Foster, James Lindon, 2009 La exposición compuesta por 23 obras realizadas en los últimos cinco años consta de dos partes que representan elementos dinámicos y estáticos en la práctica de Rovner Usando una persuasiva mezcla de la arqueología y el formato físico de los libros como contextos para sus imágenes cinéticas las obras de Rovner expresan temas relacionados con la documentación histórica y el mantenimiento de registros así como la noción de la palabra escrita como instrumento físico para articular la condición humana El núcleo de la exposición se centra en Fields of Fire una dinámica instalación de vídeo a gran escala El trabajo un atractivo retrato mundial del poder de la naturaleza y el deseo incesante de la humanidad para controlar uno de los más valiosos recursos del planeta se basa en tomas filmadas originalmente por la artista en los campos de petróleo de Kazajistán *Art in America* Frank Jewett Mather, Frederic Fairchild Sherman, 2008 *Contemporary*, 2006 **Equal Danger** Leonardo Sciascia, 2003-10-31 District Attorney Varga is shot dead Then Judge Sanza is killed Then Judge Azar Are these random murders or part of a conspiracy Inspector Rogas thinks he might know but as soon as he makes progress he is transferred and encouraged to pin the crimes on the Left And yet how committed are the cynical fashionable comfortable revolutionaries to revolution or anything Who is doing what to whom Equal Danger is set in an imaginary country one that seems all too real It is the most extreme and gripping depiction of the politics of paranoia by Leonardo Sciascia master of the metaphysical detective novel *Génocides Une mémoire en partage* Catalina Sagarra-Martin, 2015-09-22T00:00:00-04:00 Parce que la transmission de la mémoire d'un génocide est essentielle en raison des enjeux lourds qu'elle porte en elle celle-ci peut se transformer en une véritable mission dont certains individus porteurs de mémoire se sentent investis Cette mémoire est pourtant fort complexe car elle passe par plusieurs voix Ces voix peuvent simplement se juxtaposer ou se compléter mais elles peuvent aussi entrer radicalement en conflit les unes avec les autres s'accusant mutuellement et raturant les arguments les vidences et les logiques de l'autre Il convient de se rappeler qu'un génocide en tant que crime de radicalisation cherche à faire disparaître radicalement le groupe ciblé et repose sur l'effacement de toutes les traces de l'existence de l'autre La mise en œuvre de ces disparitions s'organise plusieurs niveaux physique assassinat de masse des membres dudit groupe existentiel destruction des registres de l'état civil des documents baptismaux des photos etc culturel démolition ou rature des monuments autodafés massacre des porteurs de la culture etc et symbolique avec l'effacement de la mort et de ses causes véritables par la falsification du projet génocidaire En ce sens le g

nocide relève d'un processus de destruction qui s'inscrit dans le temps de la destruction dans le présent du passé en vue d'empêcher tout avenir. Au meurtre physique des victimes se superpose le meurtre du symbolique par son impossible transmission. De cette logique génocidaire résulte l'importance primordiale que prennent la mémoire du génocide et sa transmission. Cet ouvrage explore les mémoires qui se construisent autour et partent du crime de génocide. À partir de travaux et de réflexions diverses de chercheurs et chercheuses se penchant sur quelques uns des génocides qui ont branlé le XX^e siècle, le lecteur pourra suivre certains cheminements, certains abus de la mémoire, certains oublis de l'histoire, certaines initiatives pour que la mémoire s'impose pour que le crime ne s'efface pas de la sphère publique et que les réflexions sur l'éthique reprennent la place que parfois elles ont desservie.

Dismantling the Patriarchy, Bit by Bit Judith K. Brodsky, 2021-09-09. In *Dismantling the Patriarchy*. Bit by Bit. Judith K. Brodsky makes a ground-breaking intellectual leap by connecting feminist art theory with the rise of digital art. Technology has commonly been considered the domain of white men but unrecognized until this book. Female artists including women artists of color have been innovators in the digital art arena as early as the late 1960s when computers first became available outside of government and university laboratories. Brodsky, an important figure in the feminist art world, looks at various forms of visual art that are quickly becoming the dominant art of the 21st century, examining the work of artists in such media as video from pioneers Joan Jonas and Adrian Piper to Hannah Black today, websites and social networking from Vera Frenkel to Ann Hirsch, virtual and augmented reality art, Jenny Holzer to Hyphen Lab and art using artificial intelligence. She also documents the work of female identifying, queer, transgender and Black and brown artists including Legacy Russell and Micha Cárdenas who are not only innovators in digital art but also transforming technology itself under the impact of feminist theory. In this radical study, Brodsky argues that their work frees technology from its patriarchal context, illustrating the crucial need to transform all areas of our culture in order to achieve the goals of MeToo, Black Lives Matter, BLM and Black and Minority Ethnic (BAME) representation to empower female identifying and Black and brown people and to document their contributions to human history.

Israeli Cinema Ella Shohat, 2010-07-30. When the Hebrew edition of this groundbreaking book came out, it provoked a stormy public debate. The author has now updated *Israeli Cinema* adding a substantial new postscript that reflects on the book's initial reception and points to exciting new trends in the cinematic representation of Israel and Palestine. Ella Shohat explores the cinema as a

productive site of national culture dating back to the early Zionist films about turn of the century Palestine She offers a deconstructionist reading of Zionism viewing the cinema as itself participating in the invention of the nation Unthinking the Eurocentric imaginary of East versus West Shohat highlights the paradoxes of an anomalous national colonial project through a number of salient issues including the Sabra figure as a negation of the Diaspora Jew the iconography of the land of Israel as a denial of Palestine and the narrative role of the good Arab The new postscript examines the emergence of a richly multiperspectival cinematic space that transcends earlier dichotomies through a palimpsestic and cross border approach to Israel Palestine *The British National Bibliography* Arthur James Wells,2006 *Loving Psychoanalysis* Ruth Golan,2018-06-12 Psychoanalysis was neither a product of philosophy nor of academic study Rather psychoanalysis was born in the clinic Freud took his lead from hysterical women the accounts of their pain anxieties and physical symptoms led him to formulate his theories on the existence of the unconscious *Whitney Biennial* Whitney Museum of American Art,2000
