Foldy,1997-01-01 Following Oscar Wilde's trials for committing acts of gross indecency with men he lost his family his freedom and his will to live This book sets out to examine how Victorian society could allow or indeed need this to happen **The Invention of Oscar Wilde** Nicholas Frankel,2021-06-10 One should either wear a work of art or be a work of art Oscar Wilde once declared In *The Invention of Oscar Wilde* Nicholas Frankel explores Wilde's self creation as a work of art and a carefully constructed cultural icon Frankel takes readers on a journey through Wilde's inventive provocative life from his Irish origins and their public erasure through his challenges to traditional concepts of masculinity and male sexuality his marriage and his affairs with young men including his great love Lord Alfred Douglas to his criminal conviction and final years of exile in France Along the way Frankel takes a deep look at Wilde's writings paradoxical wit and intellectual convictions Oscar Wilde's The Selfish Giant [computer File] Oscar Wilde,Sanctuary Woods Multimedia Corporation,1993 The Complete Letters of Oscar Wilde Oscar Wilde,2000 This edition marks the centenary of Oscar Wilde's death and is the most complete ever to appear It contains over 1500 of his letters and anyone unfamiliar with Wilde as a correspondent will find it packed with unexpected delights This magnificent collection is a major publishing event The Complete Illustrated Works of Oscar Wilde Oscar Wilde,2013 This exclusive edition contains Oscar Wilde's complete stories plays and poems together with their original illustrations His novel *THE PICTURE OF DORIAN GRAY* greeted on publication by a protest at its immoral subject matter is an ominous and fascinating story Also included are the elegant sparkingly witty dramas for which Wilde is best known such as *The Importance of Being Earnest* and *Lady Windemere's Fan* In addition this volume gathers together all his poetry his delightful collection of fairy tales *The Happy Prince* and *Other Stories* and his witty sophisticated stories such as *Lord Athur Savile's Crime* **Stalin on Linguistics and Other Essays** P. Gray,2002-05-21 Piers Gray was one of the most brilliant literary writers of his generation These essays ranging from Oscar Wilde to Levin from Shakespeare to pulp fiction use the full resources of literary and linguistic analysis to produce a reading

of European culture and society in the twentieth century In his final posthumous essay On Linearity Gray summons all his reading and knowledge to deliver his final judgement on life and death **The Routledge Handbook of Victorian Rebels** Brenda Ayres,2025-02-19 Although history records that the British nineteenth century was obsessed with order conventionality and conformity there were many Victorians from all walks of life across lines of class race and gender who resisted social mores and sometimes the laws themselves in a variety of ways and to varying degrees Some expressed dissension through music art literature and social protest Others were more subtle like manipulative wives who gained what they wanted while seemingly remaining docile and submissive Some rebellion fermented into social and political movements The revolt of still others was extremely executed by serial killers criminals and suicides Contemporary readers can learn from these rebels and discern what values and ways that were uniquely Victorian should be retained and those that should be rejected after having observed their outcomes To that end this collection of essays offers a study for both novice and expert on Victorian rebels **Selected Letters of Oscar Wilde** Oscar Wilde,Rupert Hart-Davis,1979 When Sir Rupert Hart Davis s magnificent edition of The Letters of Oscar Wilde was first published in 1962 Cyril Connolly called it a must for everyone who is seriously interested in the history of English literature or European morals From this edition long out of print Hart Davis has culled a representative sample of the letters from each period of Wilde s life giving preference as he says in his Introduction to those of literary interest to the most amusing and to those that throw light on his life and work The long letter to Lord Alfred Douglas known as De Profundis is printed in its entirety **Encyclopedia of Life Writing** Margaretta Jolly,2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the Encyclopedia explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important auto biographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms **Provocation and Negotiation**. Gesche Ipsen,Timothy Mathews,Dragana Obradovic,2013 This collection of essays takes on two of the most pressing questions that face the discipline of Comparative Literature today Why compare and Where do we go from here At a difficult economic time when universities all over the world once again have to justify the social as well as academic value of their work it is crucial that we consider the function of comparison itself in reaching across disciplinary and cultural boundaries The essays written for this book are by researchers from all over the world and range in topic from the problem of translating biblical Hebrew to modern atheism from Freud to Marlene van Niekerk from the formation of one person s identity to experiences of globalisation and the relation of history to fiction Together they display the ground breaking ideas which lie at the heart of an act as deceptively simple as comparing one piece of writing to another **The Works of Oscar Wilde** Oscar Wilde,2013-10

This is a new release of the original 1927 edition **Oscar Wilde - De Profundis** Oscar Wilde, 2020-10-07 De Profundis Latin from the depths is a 50 000 word letter written by Oscar Wilde during his imprisonment in Reading Gaol to Lord Alfred Douglas his lover Wilde wrote the letter between January and March 1897 he was not allowed to send it but took it with him upon release In it he repudiates Lord Alfred for what Wilde finally sees as his arrogance and vanity he had not forgotten Douglas s remark when he was ill When you are not on your pedestal you are not interesting He also felt redemption and fulfillment in his ordeal realizing that his hardship had filled the soul with the fruit of experience however bitter it tasted at the time Includes a biography of the author *The Complete Works of Oscar Wilde* Oscar Wilde, 1923 **Bloom's How to Write about Oscar Wilde** Amy S. Watkin, Harold Bloom, 2009 As a poet novelist and short story writer Oscar Wilde engages and fascinates his readers with his ability to make use of compatible contraries His central works including *The Importance of Being Earnest* *The Picture of Dorian Gray* *Lady Windermere s Fan* and *Salome* are discussed in this volume offering readers a variety of ways of exploring and discussing Wilde s often boisterously comic writings Writers will find valuable advice for composing effective essays about this witty Irishman **Oscar Wilde** Oscar Wilde, 2003 Wilde the writer is known to us from his plays and fiction yet it was in his conversation that his genius reached its summit His talk is lost his autobiography was never written but his letters reveal him at his best Here they are collected together with a commentary and photographs **Believe Me, Oscar Wilde ,**
