

# OSCAR WILDE'S WIT & WISDOM

A Book of Quotations

DOVER THRIFT EDITIONS

# Oscar Wildes Epigrams

**Oscar Wilde**

## Oscar Wildes Epigrams:

**Epigrams of Oscar Wilde** Oscar Wilde,2007 Oscar Wilde s well turned phrases and spontaneous insults still cause much amusement and admiration This book contains quotes most of which are taken from Wilde s plays novels and essays **The**

**Epigrams of Oscar Wilde** Oscar Wilde,Alvin Redman,1995-01-01 **The Epigrams of Oscar Wilde** Oscar Wilde,1954

**Writings of Oscar Wilde** Wilde Oscar,1901 *The Epigrams of Oscar Wilde* Oscar Wilde,1952 **Epigrams** Oscar Wilde,2012-12-22 First published in 1905 this collection contains aphorisms and epigrams from fourteen of Oscar Wilde s works including his comedies *The Picture of Dorian Gray* and *The Soul of Man Under Socialism* Oscariana Oscar

Wilde,2019-02-07 In 1895 Arthur Humphreys a director of Hatchards and a friend of Oscar Wilde printed fifty copies of a small eighty eight page compendium of Wilde s epigrams culled from his published works It was titled *Oscariana* The initial selection had been made by Wilde s wife Constance but Wilde had not been entirely satisfied with it and subsequently revised the whole text A pirated edition of a further two hundred copies of the book was produced in 1903 but otherwise it has remained out of print until now This new publication of *Oscariana* is a facsimile of this booklet and the only selection of Wilde s wit endorsed and chosen by the author himself *The Writings of Oscar Wilde* Oscar Wilde,1907 **Epigrams &**

**Aphorisms** Oscar Wilde,1905 **WRITINGS OF OSCAR WILDE** OSCAR. WILDE,2018 **The Writings of Oscar Wilde:**

**Epigrams: phrases and philosophies for the use of the young** Oscar Wilde,Jules Barbey d'Aureville, Henry Zick, Lady Wilde,1907 **The Writings of Oscar Wilde** Oscar Wilde,2017-10-28 Excerpt from *The Writings of Oscar Wilde* Epigrams

Phrases and Philosophies for the Use of the Young The critic is he who can translate into another manner or a new material his impression of beautiful things The highest as the lowest form of criticism is a mode of autobiography Those who find ugly meanings in beautiful things are corrupt without being charming This is a fault Those who find beautiful meanings in beautiful things are the cultivated For these there is hope About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Works of Oscar Wilde**

Oscar Wilde,1909 **Epigrams:** Oscar Wilde,2013-07-12 AN epigram is the sublimate of genius It is a crystallization from the commonplace In its earliest form indeed it was but a mere writing upon a wall but the modern epigram is distinguished by its particular brilliancy It embodies the very quintessence of the thoughts of the writer The early Greek epigram did not aim at wit or necessarily produce the feeling of surprise which are essential characteristics of the modern one The writer to day who follows the Greek epigrammatist succeeds only in being dull Chief among our English epigrammatists of modern

days is that picturesque figure Oscar Wilde. The London Athenaeum indeed spoke of him as one whose writings would soon be found only on the shelves of the collector of the merely curious. But the Athenaeum like the great public it represents notoriously modifies its opinions. What Mr Wilde wrote is subject not now but hereafter to final judgment when we have reached the right point from which to observe it. A literary work like sculpture needs a proper perspective. Whatever may be thought of the writings of Oscar Wilde as a whole it is certain that in his epigrams and aphorisms we have the very flower and blossom of his genius. Just as Rochefoucauld put together the best of his own ideas and adaptations of the thoughts of the ancients in his *Maxims* as Franklin voiced the practical wisdom of his time in the sayings of Poor Richard as Chateaubriand established for Joubert permanent fame in the *Pensées* so in this compilation the literary genius of Oscar Wilde is revealed as in no other way and we may trace through his writings the gradual evolution from palpable insincerity and striving for effect to conscious truth and literary expression for the sake of the idea conveyed rather than for the expression's sake. Flippancy lightness of touch dilettantism were after all only masks worn for the time although the wearer himself was conscious only of the impression created by the mask forgetting there was nevertheless something behind the mask which gave it the appearance of life. Under the insouciance there was something real something tangible a message conveyed to those who were capable of receiving it although in this strenuous life of the Twentieth Century nine tenths of the world receives its message solely over the tape of the stock market.

*Epigrams & Aphorisms* Oscar Wilde, 2015-08-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work.
