Panentheism--The Other God of the Philosophers John W. Cooper, 2006-11 This landmark book the first complete history of panentheism written in English explores the subject through the lens of various thinkers and discusses how it has influenced liberation feminist and ecological theologies A Concordance to All the Bookes of the Old Testament, According to the Translation Allowed by His Late Matie of Great Brittain, Etc. Mystical Resistance Ellen Davina Haskell, 2016 Mystical Resistance reveals the kabbalistic masterpiece Sefer ha Zohar commonly known as the Zohar as a rich source for understanding Jewish resistance to Christian authority Composed against a backdrop of rising religious intolerance the Zohar s subversive mystical narratives critique the changing relationship between Western Europe s Christian majority and its Jewish minority

Exodus (ESV Edition) Philip Graham Ryken, 2016-02-26 In this expository commentary on the book of Exodus Philip Graham Ryken mines the story of Israel s escape from Egypt for knowledge of God s character and instruction for his followers Theologically instructive and decidedly pastoral this commentary leads readers to rejoice at God s work in the life of every person who follows him on the path to spiritual freedom Ryken skillfully relates how the Israelites deliverance from slavery anticipated the salvation accomplished in Jesus Christ proving that God remembers his covenant and always delivers on his promises For those who preach teach and study God s Word this book is more than just a commentary it is a celebration of God s faithfulness The book of Daniel abounds with powerful imagery showcasing God s unmatched glory and wise plan for the future In this accessible commentary pastor Rodney Stortz highlights the coming triumph of God s kingdom offering pastors and Bible teachers a resource to help them explain and apply Daniel s message to Christians today Stortz s careful exegesis and perceptive applications focus on personal holiness the wisdom and power of

God and the importance of Daniel's prophecies concerning the Messiah and the Antichrist In addition this commentary looks to the New Testament to shed light on Daniel's prophecies about the future Part of the Preaching the Word series **No Other God** Gabriel Vahanian,2009-09-01 In the aftermath of writing *The Death of God* Vahanian had opportunity to advance his discussion In his introduction to *No Other God* he wrote Taken as nothing less if nothing more than a cultural phenomenon the death of God signifies the transition from radical monotheism to radical immanentism and marks the birth of secularism as the vector of the new religiosity It announces the advent of a new culturally Christian paganism even while theology is busy overlooking its indigence or covering it up with a glorified but amnesic vocabulary But what I have denounced elsewhere as the charter of the incipient post Christian idolatry is now proclaimed as the first article of an immanentist religiosity So called Christian atheism glories precisely in what I deplored when I first used the term death of God Meanwhile Christian theology serves only to separate the Church from the world instead of pointing to the fact that the Church is or should be what happens when the world hears the Word of God Vahanian recognizing that God is a word and that God is not God without the world ultimately helps readers understand the two poles of language that need to be kept in balance wording the world and worlding the word In this light idolatry of every kind is threatened by new language both symbolic and iconoclastic which serves to usher in a new world *Flying Serpents and Dragons* R. A. Boulay,1999-07 A highly original work that deals a shattering blow to all our preconceived notions about our past and human origins Worldwide legends refer to giant flying lizards and dragons that came to this planet and founded the ancient civilizations of Mesopotamia Egypt India and China Who were these reptilian creatures What was the real reason for man's creation Why did Adam lose his chance at immortality in the Garden of Eden Who were the Nefilim who descended from heaven and mated with human women Why did the serpent take such a bad rap in history Why didn't Adam and Eve wear clothes What were the crystals or stones that the gods fought over Why did the ancient Sumerians call their major gods USHUMGAL which means literally great fiery flying serpent What were the boats of heaven in ancient Egypt and the sky chariots of the Bible This book tells it all **Encyclopaedia of Religion and Ethics** James Hastings,John Alexander Selbie,Louis Herbert Gray,1917 *The gospel pulpit.
