 correspondence A joy to read Library Journal starred review In the mid twentieth century Lionel Trilling was America s most
 respected literary critic His powerful and subtle essays inspired readers to think about how literature shapes our politics our
 culture and our selves His 1950 collection The Liberal Imagination sold more than 170 000 copies epitomizing a time that has
 been called the age of criticism To his New York intellectual peers Trilling could seem reserved and circumspect But in his
 selected letters Trilling is revealed in all his complexity We witness his ardent courtship of Diana Trilling who would become
 an eminent intellectual in her own right his alternately affectionate and contentious rapport with former students such as
 Allen Ginsberg and Norman Podhoretz the complicated politics of Partisan Review and other fabled magazines of the period
 and Trilling s relationships with other leading writers of the period including Saul Bellow Edmund Wilson and Norman Mailer
 In Life in Culture edited by Adam Kirsch Trilling s letters add up to an intimate portrait of a great critic and of America s
 intellectual journey from the political passions of the 1930s to the cultural conflicts of the 1960s and beyond It s a measure of
 Trilling s brilliance and humanity that these letters are as alive now as then were then Library Journal starred review
