Other Realm The Blood Vengeance:

The Other Realm R. B. Winters, 2006-01-01 Mayhem continues to be a prevailing force within the Council as well as the Mortal Realm in book two of The Other Realm series. With Alex's disappearance rumor and speculation have taken hold of the wizarding community. Philip desperately awaits the moment that he will take over as the acting Head of Council and his opportunity to demonstrate his powers within Terra. A mysteriously familiar evil begins sweeping through mortal cities as Melissa watches, unable to bring Jen's attention to the problem. The magic that had always held the trio together has dwindled to the point that there may be no salvation. Demons, vampires, and contempt are slowly tearing the former world apart and shedding light upon something new and unexpected. **The Anomaly** R. B. Winters, 2010-02-06 Inside this room lies the fate of civilizations past and future. Some of what has been seen has come to be witnessed by the eyes of those in reality while some have crumbled upon their own foundation of non-truths. The gift of vision that so few have can be a dangerous gift. You see what you may not wish to see and you hold inside what you may despise but it is always there.

Nordic Elites in Transformation, c. 1050-1250, Volume III Wojtek Jezierski, Kim Esmark, Hans Jacob Orning, Jón Viðar Sigurðsson, 2020-10-06 This book explores the practical and symbolic resources of legitimacy which the elites of medieval Scandinavia employed to establish, justify, and reproduce their social and political standing between the end of the Viking Age and the rise of kingdoms in the thirteenth century. Geographically the chapters cover the Scandinavian realms and Free State Iceland. Thematically the authors cover a wide palette of cultural practices and historical sources: hagiography, historiography, spaces and palaces, literature, and international connections which rulers, magnates, or ecclesiastics used to compete for status and to reserve haloing glory for themselves. The volume is divided in three sections. The first looks at the sacral, legal, and acclamatory means through which privilege was conferred onto kings and ruling families. Section Two explores the spaces such as aristocratic halls, palaces, churches, in which the social elevation of elites took place. Section Three explores the traditional and novel means of domestic distinction and international cultural capital which different orders of elites, knights, powerful clerics, ruling families, etc. wrought to assure their dominance and set themselves apart vis-à-vis their peers and subjects. A concluding chapter discusses how the use of symbolic capital in the North compared to wider European contexts.

Mitchell,2007 Looks at the ways people have used sanctuary throughout history and in present day conflicts to avoid or challenge violence Authors with practical experience in peace zones throughout Asia Europe Africa and Latin America The notion of having sanctuary from violence or threat has probably existed as long as conflict itself Whether people seek safety in a designated location such as a church or hospital or over a regional border or whether their professions or life situations doctors children allow them at least in theory to avoid injury in war sanctuary has served as a powerful symbol of non violence The authors of this collection examine sanctuary as it relates to historical and modern conflicts from the Philippines to Colombia and Sudan They chart the formation and evolution of these varied zones of peace and attempt to arrive at a theory of sanctuary that might allow for new and useful peacebuilding strategies This book makes a significant contribution to the field of conflict resolution using case studies to highlight efforts made by local people to achieve safety and democracy amid and following violent civil wars The authors ground the emerging interest in sanctuary by providing a much needed description of the complexity of these peace zones Other Contributors Kevin Avruch Pushpa Iyer Roberto Jose Jennifer Langdon Nancy Morrison Krista Rigalo Catalina Rojas and Mery Rodriguez
