Ottawa River Canal System

Normand Lafrenière

Ottawa River Canal System:

The Ottawa River Canal System Normand Lafrenière,1984 This study presents a brief history of the Ottawa River canal system from the time construction began until 1963 Although the Carillon Canal a national historic park would normally have been the focal point of such an undertaking a specific study of this canal proved virtually impossible owing to the lack of information pertaining to its initial construction period Records of the commercial use of the canal over the years were equally sparse Fortunately however the history of the Carillon Canal is closely linked with that of several other canals the Vaudreuil St Anne s Chute a Blondau and Grenville canals constructed on the lower Ottawa River in the early 19th century As a consequence this study encompasses the entire Ottawa River canal system The Ottawa River Canal System Joseph Tassé,1886 The Ottawa River Canal System Joseph Tassé,1885 The Ottawa River Canal System [microform] Joseph Tassé,1848-1895 Tassé,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Grain World ,1929 Canals of Canada Under the Jurisdiction of the Department of Railways and Canals Canada.
