*New Dimensions in the World of Reading* ,1993 Stories and poems aimed at a first grade reading level      *Otto's Tricks* Ethan Miles,1992      *The Diary That Changed the World* Karen Bartlett,2022-04-28 A meticulous account of the fascinating convoluted and sometimes ugly publishing history of the world s most famous diary Karen Bartlett s book is all the more relevant at a time of untruths and fake news Caroline Moorehead bestselling author of *Village of Secrets Defying the Nazis in Vichy France* When Otto Frank unwrapped his daughter s diary with trembling hands and began to read the first pages he discovered a side to Anne that was as much a revelation to him as it would be to the rest of the world Little did Otto know he was about to create an icon recognised the world over for her bravery sometimes brutal teenage honesty and determination to see beauty even where its light was most hidden Nor did he realise that publication would spark a bitter battle that would embroil him in years of legal contest and eventually drive him to a nervous breakdown and a new life in Switzerland Today more than seventy five years after Anne s death the diary is at the centre of a multi million pound industry with competing foundations cultural critics and former friends and relatives fighting for the right to control it In this insightful and wide ranging account Karen Bartlett tells the full story of *The Diary of Anne Frank* the highly controversial part it played in twentieth century history and its fundamental role in shaping our understanding of the Holocaust At the same time she sheds new light on the life and character of Otto Frank the complex driven and deeply human figure who lived in the shadows of the terrible events that robbed him of his family while he painstakingly crafted and controlled his daughter s story
