I would hear different phrases during the day at work, on television, or just having a casual conversation during the day. I was given an idea and began to write such as the following article: Tell it Like It Is or Sugarcoated Jesus never sugarcoated anything. He always told the truth, the whole truth. When we do not tell it like it is, we are doing the work of the adversary. He is the author of confusion, which is his truth. The book was also written to enhance our spiritual awareness. It was written to let you see that the everyday phrases such as another article titled Can You Hear Me Now can be inspirational in the right circumstances. Here is an insert from the following article: Have we ever thought about Jesus saying Can You Hear Me Now? Why can't we hear Him? Is it because we are listening to the world and not for His voice? It is written: I am the Good Shepherd, and I know my sheep, and am known of mine. And other sheep I have which are not of this fold; them also I must bring, and they will hear my voice, and there shall be one fold.
