### **Our American Government 2003:**

*Our American Government, 2003*, 2004-01-15 Provides information in a question and answer format Covers a broad range of topics dealing with the legislative executive and judicial branches of the United States government as well as the electoral process and the role of political parties      **Our American Government 2003 Edition** Robert W. Ney, 2012-02-07 This publication continues to be a popular introductory guide for American citizens and those of other countries who seek a greater understanding of our heritage of democracy The question and answer format covers a broad range of topics dealing with the legislative executive and judicial branches of our Government as well as the electoral process and the role of political parties This book was produced by the Committee on House Administration of the United States Government It includes a discussion of democracy the Constitution Legislative Executive and Judicial Branches of the government as well as a discussion of the electoral process It also contains the Declaration of Independence and the Constitution of the United States      **Linguistic and Rhetorical Perspectives on Congressional Hearings** Cinzia Giglioni, 2020-07-10 Congressional hearings are often the most requested government documents in US libraries However among the genres that have been traditionally of interest to political discourse analysts e g political speeches political interviews policy documents hearings have not been of much scrutiny on the part of discourse scholars an attitude somehow contrasting with the lay public s interest Cinzia Giglioni takes the opportunity to gain a unique view into the actors the interested parties the issues from a linguistic and rhetorical perspective Her intent is to provide an in depth analysis of witnesses opening statements which are probably the most salient parts in a congressional hearing The investigation begins with but is not constricted by theoretical aspects which are integrated with empirical observations and suggestions for critical reading      *Student Congress Debate* Adam Jacobi, 2007-01-01 Discusses how student congress debate mirrors the debate process used by legislative bodies and presents ways that students can pick and research topics write speeches and successfully conduct themselves during debates

**The Détente Deception** Douglas Rivero, 2013 The D tente Deception examines the competition between the U S led Western bloc and the Soviet bloc in the less developed world during the final years of D tente Rivero assesses whether or not the Soviet bloc pushed for strategic gains in the Third World and whether this contributed to the U S decision to abandon D tente in 1979 This view is articulated by many acclaimed scholars such as Stephen Walt 1992 John Gaddis 1997 and Vladislav Zubok 2007 They make the case that during the final years of D tente and throughout the 1980s U S policy in places such as Nicaragua and Angola was a calculated response to Soviet aggression in the less developed world This book challenges this position as the quantitative evidence points to U S aggression Not only did the Western bloc push to maintain dominance over the Third World archival evidence also suggests the US made significant efforts in Eastern Europe and Afghanistan during the final years of D tente to dismantle the Soviet bloc      **The American Flag** John R. Vile, 2018-10-05 At a time when the U S flag is both a source of both pride and controversy this volume provides the first encyclopedic A to Z treatment of the

U S flag in American history culture and law This title is a comprehensive resource for understanding all aspects of the American flag and its relationship to the American people The encyclopedia provides a thorough historical examination of key developments in the flag s design as well as laws and court decisions related to the flag and the First Amendment In relation to the flag s history it also discusses evolving public attitudes about its importance as a national symbol The encyclopedia contains illuminating scholarly essays on presentations of the flag in American politics the military and popular culture including art music and journalism Additionally these essays address important rules of flag etiquette and modern controversies related to them from flag burning to refusing to stand during the playing of the U S National Anthem

**HIV/AIDS in Sub-Saharan Africa** A. Flint, 2011-01-28 This book explains how issues of governance lie at the heart of understanding and combating the HIV AIDS crisis in Africa It reviews the debates surrounding the root causes of the pandemic and its continuing proliferation and examines the local and global socio political forces that have contributed to the spread and impact of the disease

**Our American Government** , 2003 The Committee on House Administration is pleased to present this revised book on our United States Government This publication continues to be a popular introductory guide for American citizens and those of other countries who seek a greater understanding of our heritage of democracy The question and answer format covers a broad range of topics dealing with the legislative executive and judicial branches of our Government as well as the electoral process and the role of political parties Foreword
