**Our Army Nurses** Mary Gardner Holland,2010-04 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork     *Our Army Nurses* Mary G. Holland,1895

**Our Army Nurses**,1895 The Civil War provided women with an opportunity to enter the field of medicine and laid the groundwork for the development of the nursing profession This book provides biographical sketches on women such as Clara Barton and Dorothea Dix who provided nursing care during the Civil War     *Our Army Nurses* Mary A. Gardner Holland,2015-07-11

Excerpt from Our Army Nurses Interesting Sketches Addresses and Photographs of Nearly One Hundred of the Noble Women Who Served in Hospitals and on Battlefields During Our Civil War Orators find sources of eloquence in considering the part which woman played in our Civil War Their strongest praise cannot reach too high We all know full well what a background of encouragement sympathy and actual aid the women of the North furnished they held back their deepest wishes lest they should be considered selfish cheered long weary hours with patriotic songs and organized through villages and towns to carry on the work of the Sanitary Commission But there were other women who went forth on the perilous path of real service in the war They were sunshine at the edge of battlefields voices of solace in hospital sufferings In ways beyond the power of the chaplains they served the dying receiving last messages and brightening the last hours of many a boy in blue The privations and dangers which these noble characters endured called for a fortitude equal in man respects to the valor of the soldier The army nurse was obliged to respond to duty at all times and in all emergencies She could not measure her time sleep or strength She was under orders to serve to the fullest What remarkable experiences fell to the lot of these women are somewhat revealed in the following pages I am gratified to see this collection of narratives all aglow with the vivid light of our great war About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     *Our Army Nurses* Mary Gardner Holland,2019-06-13

**Women in the United States Military** Judith Bellafaire,2011-01-26 Women s participation in the U S Armed Forces has grown over time in response to the national need for their services Throughout each era of American history patriotic women volunteered to serve their country in a wide variety of official and unofficially sanctioned capacities When there was a call to duty the United States Armed Forces always relied upon women to be a part of the effort This book provides information to enable students and scholars to understand the effect women have had on wars that have shaped the United States     *In*

*Her Place* Katharine T. Corbett, 1999 This new addition to the popular guidebook series explores women's experiences and the impact of their activities on the history and landscape of St Louis. When the city was founded most St Louisans believed that a woman's place is in the home in the house of her father, husband or master. Over the years women pushed out the boundaries of their lives into the public arena and in doing so they changed the face of St Louis. *In Her Place* is a guide to the changing definition of a woman's place in St Louis beginning with the colonial period and ending with the 1960s. Each chapter explores the experiences of women during a specific time period and identifies the sites of some of their public activities on a map of the city created from historical sources. Along the way readers will meet such significant St Louis women as Harriet Scott, Susan Blow, Edna Gellhorn and Philippine Duchesne and learn about the activities of the Ladies Union Aid Society, the Sisters of Charity, the League of Women Voters and the Harper Married Ladies Club. The book also includes four tours of the St Louis region addressing the themes of the book and identifying significant buildings, homes and other key sites. Current photographs will help readers locate the sites on detailed maps. An up to date bibliography and resource listing make this an invaluable guide for anyone interested in studying the history of women in the region.

Gardner Holland,2003-01-01 ***Our Army Nurses*** ,1895 ***Rising in Flames*** J. D Dickey,2018-06-05 America in the antebellum years was a deeply troubled country divided by partisan gridlock and ideological warfare angry voices in the streets and the statehouses furious clashes over race and immigration and a growing chasm between immense wealth and desperate poverty The Civil War that followed brought America to the brink of self destruction But it also created a new country from the ruins of the old one bolder and stronger than ever No event in the war was more destructive or more important than William Sherman s legendary march through Georgia crippling the heart of the South s economy freeing thousands of slaves and marking the beginning of a new era This invasion not only quelled the Confederate forces but transformed America forcing it to reckon with a century of injustice Dickey reveals the story of women actively involved in the military campaign and later in civilian net works African Americans took active roles as soldiers builders and activists Rich with despair and hope brutality and compassion Rising in Flames tells the dramatic story of the Union s invasion of the Confederacy and how this colossal struggle helped create a new nation from the embers of the Old South
