Explorations in Art, Theology and Imagination Michael Ridgwell Austin, 2016-04-08 Christianity has repeatedly valued the Word over and above the non verbal arts Art has been seen through the interpretative lens of theology rather than being valued for what it can bring to the discipline Explorations in Art Theology and Imagination argues that art is crucially important to theology The book explores the interconnecting themes of embodiment and incarnation faith and imagination and the similarities and differences between art and theology Arguing for a critique that begins with art and moves to theology Explorations in Art Theology and Imagination offers a radical re evaluation of the role of art in Christian discourse
