California. Court of Appeal (2nd Appellate District). Records and Briefs California (State)., **The Song of Sarah** Charlene Pillow Little, 2011-07-01. For author Charlene Pillow Little, the mirror on the wall reflected a sobering message. As the signs of aging were obviously growing at a much higher rate than her 401 k, she must act quickly but not for a face lift. It was time for Sarah to set the record straight and go all the way back to the fifties to the time when she too was wrinkle free, young and restless. These memoirs are her own unmistakable voice talking about the good, the bad, and the not so pretty of her journey through life. *The Song of Sarah* presents a touching personal story from 1937 to 2010, beginning with her birth in the thirties when the family physician arrives an hour late. Her feisty grandmother assumes the role of emergency MD. Growing up petite and scrawny in the fifties and always on the lookout for ways to change her name to the one she feels is truly hers, she emerges from each hurdle stronger in character, body, and mind. Though her childhood years were lived in an environment considered poverty stricken, the hardships and circumstances served to define more clearly and purposefully certain ambitions and values. Told with candor and humor, her story is more about the human spirit that wills itself not only to survive but triumph over the long haul. A spirit that doesn't accept the notion that life is over after the fiftieth wedding anniversary.

Volume 6 takes up the story in 1980 and examines the crucial decade that preceded the collapse of the apartheid system. As with earlier volumes in the series, it combines narrative with a wealth of primary source materials that record the words of the men and women who shaped South Africa's complex history.
