**The Ministry, Vol. 11, No. 04** Various Authors,2007-05-01 This issue of The Ministry presents the first eight messages given during the 2005 fall term of the full time training in Anaheim California The general subject of this series of messages is entitled The Overcoming Life as Portrayed in Song of Songs This general subject is based upon an intrinsic revelation in the Scriptures related to our overcoming and our love relationship with the Lord This is demonstrated in Romans 8 37 the theme verse of this entire series of messages which says In all these things we more than conquer through Him who loved us The Greek word translated more than conquer is hypernikao which literally means super overcome or more than overcome Hence we more than overcome through Him who loved us According to this verse the ones who are really loved by God become super overcomers more than conquerors There is a deep sweet rich essential intrinsic organic and experiential connection between love and overcoming In Song of Songs the lover of Christ overcomes in four stages in the first stage 1 2 2 7 she overcomes the attraction of the world by being captivated by Christ in the second stage 2 8 3 5 she overcomes the self which secludes her from the presence of Christ by becoming one with the cross of Christ in the third stage 3 6 5 1 she overcomes the old creation the physical things by living in the ascension of Christ in resurrection after her self has been dealt with by the cross and in the fourth stage 5 2 6 13 she overcomes the flesh the natural man the old man by living within the veil requiring a deeper experience of the cross Last of all we present a concluding set of testimonies from some who participated in the recent gospel move in the Russian speaking world      **Encouragement from the Psalms** Dr.

B,2023-06-12 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or by Ezra following the Babylonian Captivity It was titled The Numbers Book the Wilderness Sojourn and the Promised Land The Pulpit Commentary Vol 8 254 The Companion Bible Psalms 720 The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord
