Our Faust Roots Ramifications Of A Mod:

Traumatic Encounters Paul Eisenstein, 2012-02-01 Traumatic Encounters argues for an alternative memorial path in Holocaust and cultural studies one that shows the vital necessity of thinking in a universal way about an event like the Holocaust Relying on Hegel's notion that the particular is already universal Eisenstein shows how the encounter with trauma transpires not in the refusal of a universalizing gesture but rather in its wholesale embrace This embrace results in a recognition involving the trauma that conditions the possibility of history in the first place a structural trauma immune to historicization that Hegel and psychoanalysis place at the heart of subjectivity and community This encounter with structural trauma is at the center of four titles that Eisenstein examines Spielberg's Schindler's List D M Thomas's The White Hotel Thomas Mann's Doctor Faustus and David Grossman's See Under Love Arts & Humanities Citation Index, 2000 **Ruin the Sacred Truths** Harold BLOOM, Harold Bloom, 2009-06-30 Bloom surveys with majestic view the literature of the West from the Old Testament to Samuel Beckett He provocatively rereads the Yahwist or J writer Jeremiah Job Jonah the Iliad the Aeneid Dante's Divine Comedy Hamlet King Lear Othello the Henry IV plays Paradise Lost Blake's Milton Wordsworth's Prelude and works by Freud Kafka and Beckett In so doing he uncovers the truth that all our attempts to call any strong work more sacred than another are merely political and social formulations This is criticism at its best Table of Contents 1 The Hebrew Bible 2 From Homer to Dante 3 Shakespeare 4 Milton 5 Enlightenment and Romanticism 6 Freud and Beyond Reviews of this book Bloom's puissance is not entirely his own for some of it he is indebted to Nietzsche Freud Schopenhauer Gershom Scholem and other masters But enough of it is his own to constitute a distinctive form of splendor Denis Donoghue New York Review of Books Reviews of this book The wit the eclecticism and the gripping paradoxes the force of Bloom's intellect carries the reader from pinnacle to pinnacle showing a new spiritual landscape from each Roger Scruton Washington Times Reviews of this book In some ways the wildest of the wild men and women in some ways the most traditional of the traditionalists Harold Bloom remains serene amid the turbulence much of it caused by him He stands dauntless a party of one as thrilling to behold up on the high wire as he is at times throttling to read on the page From this strong critic dealing with these strong poets comes a potent mix of insight Mark Feeney Boston Globe *Marxism and the Interpretation of Culture* Cary Nelson, Lawrence Grossberg, 1988 This title provides a picture of the state of Marxist thinking It aims to provoke a debate that will be of interest to those concerned with the status and development of Marxism and also to theorists in all fields of the human sciences **A New English Dictionary on Historical Principles** James Augustus Henry Murray, Sir William Alexander Craigie, Charles Talbot Onions, 1901 A New Humanism Daisaku Ikeda, 2010-09-30 The natural sympathy and understanding of people everywhere must be the soil in which the new humanism can thrive For Daisaku Ikeda whose words these are education has long been one of the fundamental priorities of his work and teaching His emphasis on the intellectual legacy bequeathed to humanity by the great teachers of civilization is in this volume

encapsulated by the notion of a new humanism a significant residue of wisdom that in the right circumstances may be passed on to future generations expanding horizons making connections between different cultures and encouraging fresh insights and new discoveries across the globe These circumstances are perhaps most fully realised in the context of universities In promoting his core values of education and peace the author has delivered lectures and speeches at more than twenty five academies colleges and research institutes worldwide This stimulating collection which includes the author's most recent lectures ranges widely across topics as diverse as art religion culture and time and draws creatively on the sages of ancient India China and Japan as well as on visionary thinkers from every nation including Tolstoy Victor Hugo and Gandhi

The Global Politics of Poverty in Canada Will Langford, 2021-01-16 In the 1960s and 1970s in the midst of the Cold War and an international decolonization movement development advocates believed that poverty could be ended at home and abroad The Global Politics of Poverty in Canada explores the relationship between poverty democracy and development during this remarkable period Will Langford analyzes three Canadian development programs that unfolded on local regional and international scales He reveals the interconnections of anti poverty activism carried out by the Company of Young Canadians among Métis in northern Alberta and francophones in Montreal by the Cape Breton Development Corporation and by Canadian University Service Overseas in Tanzania In dialogue with the New Left liberal reformers committed to development programs they believed would empower the poor to confront their own poverty and thereby foster a more meaningful democracy However democracy and development proved to be fundamentally contested and development programs stopped short of amending capitalist social relations and the inequalities they engendered The Global Politics of Poverty in Canada explores how Canadians engaged in informal and formal politics in the course of their everyday lives locally and transnationally Langford provides an enduring record of otherwise fleeting anti poverty programs and their effects the lived activism and opinions of development workers and ordinary people
