

OUR GAME

AN AMERICAN BASEBALL HISTORY

CHARLES C. ALEXANDER

"Our Game is the one-volume history I would give to someone who wants a crash course in the history of baseball."

—GEORGE ROBINSON, *THE WASHINGTON POST BOOK WORLD*

Our Game An American Baseball History

**Burton A. Boxerman, Benita W.
Boxerman**

Our Game An American Baseball History:

Our Game Charles C. Alexander,1991 Traces baseball from the development of the New York Game one hundred and fifty years ago and charts the rise of the pastime that quickly eclipsed other sporting activities Sports in American Life Richard O. Davies,2016-05-23 The third edition of author Richard O Davies highly praised narrative of American sports Sports in American Life A History features extensive revisions and updates to its presentation of an interpretative history of the relationship of sports to the larger themes of U S history Updated include a new section on concussions caused by contact sports and new biographies of John Wooden and Joe Paterno Features extensive revisions and updates along with a leaner faster paced narrative than previous editions Addresses the social economic and cultural interaction between sports and gender race class and other larger issues Provides expanded coverage of college sports women in sports race and racism in organized sports and soccer s sharp rise in popularity Features an all new section that tackles the growing controversy of head injuries and concussions caused by contact sports *The Press on Trial* Lloyd E. Chiasson,1997-08-28 Perhaps no drama catches the interest of the American public more than a spectacular trial Even though the reporting of a crime may quickly diminish in news value the trial lingers while drama builds Although this has become seemingly more pronounced in recent years with the popularity of televised trials public interest in criminal trials was just as high in 1735 when John Peter Zenger defended his right to free speech or in 1893 when Lizzie Borden was tried for the murder of her father and stepmother This book tells the stories of sixteen significant trials in American history and their media coverage from the Zenger trial in 1735 to the O J Simpson trial in 1995 Each chapter relates the history of events leading up to the trial the people involved and how the crimes and subsequent trials were reported **Moments in Baseball History** Mark R. Brewer,2022-11-29 No other sport can begin to compare to the rich history and statistical record of baseball It is part of what makes the game so alluring In *Moments in Baseball History* Mark R Brewer examines twenty two memorable games and the player at the center of that game It should prove a feast for baseball fans *Of Tribes and Tribulations* James E. Odenkirk,2015-05-23 Over their first four decades in the American League the Cleveland Indians were known more for great players than consistently great play Its rosters filled with all time greats like Cy Young Nap Lajoie Elmer Flick Tris Speaker and the ill fated Addie Joss and Ray Chapman Cleveland often found itself in the thick of the race but with 1920 the lone exception seemed always to finish a game or two back in the final standings In the 10 years that followed the end of World War II however the franchise turned the corner Led by owner and world class showman Bill Veeck the boy manager Lou Boudreau ace Bob Feller and the barrier busting Larry Doby Cleveland charged up the standings finishing in the first division every season but one and winning it all in 1948 This meticulously researched history covers the Indians first six decades from their minor league origins at the end of the 19th century to the dismantling of the 1954 World Series club It is a story of unforgettable players frustrated hopes and two glorious victories that fed a city s unwavering devotion to its team **Jews**

and Baseball Burton A. Boxerman, Benita W. Boxerman, 2016-06-23 This history follows up on the well received first volume and traces the arc of Jews in baseball after Hank Greenberg retired in 1948 During this postwar period Jews saw greater acceptance into the American mainstream as organized anti-Semitism was largely displaced by greater affluence education and a more geographically dispersed Jewish community Jews continued to flourish in baseball new stars like Al Rosen Sandy Koufax and Shawn Green debuted and off the field the era brought more Jewish owners executives sportswriters broadcasters and even a commissioner This book further demonstrates how and why Jews and baseball have continued to grow together

Baseball History from Outside the Lines John E. Dreifort, 2001 A collection of essays which describe developments in the game's past assess their impact and explain how they reflect the period in which they occurred explore baseball's influences outside the field of play as well as the effect of external factors on the game and discuss such key issues as demographics communities social mobility race and ethnicity Cover

The Cooperstown Symposium on Baseball and American Culture, 2002 William M. Simons, 2003-05-19 This is an anthology of 24 papers that were presented at the Fourteenth Cooperstown Symposium on Baseball and American Culture held in June 2002 and co-sponsored by the State University of New York at Oneonta and the National Baseball Hall of Fame and Museum Subsequent to initial presentation papers were revised and edited for publication The anthology is divided into five parts Timebend Baseball as History The Business of Baseball Race Soul of the Game Baseball Media Literature Journalism and Cinema and Baseball Culture Age Sexuality and Religion Timebend Baseball as History ruminates on the lingering resonance of the game's past The Business of Baseball examines sport from a commercial perspective Race Soul of the Game chronicles the African American experience in baseball Baseball Media Literature Journalism and Cinema analyzes depictions of the game in the popular arts Baseball Culture Age Sexuality and Religion explores the social fabric of sport Each part contains multiple essays related by theme and topic A guide to the paper follows

Never Just a Game Robert Fredrick Burk, 1994 *Never Just a Game* Players Owners and American Baseball to 1920

Bell Telephone News, 1918 **Our Wonder World**, 1914 **American History** Samuel Knox Wilson, 1929 **Leslie's**, 1911 *American History Told by Contemporaries ...* Albert Bushnell Hart, John Gould Curtis, 1929

Sal Maglie Judith Anne Testa, 2007 To the batters who faced him pitcher Sal Maglie looked like the hurler from hell Tall and sinister in appearance with glowering dark eyes and a formidable five o'clock shadow the famed right hander earned the nickname Sal the Barber for his high inside fastball that cut dangerously close to the batter's chin But Maglie was much more than his intimidating image This biography provides a colorful detailed occasionally shocking and often moving narrative about the son of poor Italian immigrants who rose far beyond his family's and his own early dreams and became a star pitcher for the New York Giants He then at the apex of his career in the mid 1950s joined the Brooklyn Dodgers This is the story of a man whose early mediocrity and failures in the minor leagues in no way prefigured his later success and fame Maglie's major league career shines with baseball drama He was a key player in some of the most

dramatic pennant races in baseball history and a participant in several of the sport's most famous games. Women found him irresistible and his first marriage was at times severely strained by his infidelities. Despite his success in baseball, he endured pain, disappointment, and personal tragedy. Through wide-ranging research that includes interviews with Maglie's relatives, friends, former teammates, and team officials, as well as newspaper reports, books, and magazines, Judith Testa creates an insightful and compelling portrait of one of baseball's most intriguing figures. Baseball fans and people interested in baseball history and in the Italian American experience will discover new insights and a wealth of information in *Sal Maglie*.

American Decades Richard Layman, Vincent Tompkins, 1994 Examines the changes in American civilization from the beginning of the twentieth century to the present. **INSIDE PITCH PB** GMELCH GEORGE, 2002-01-17 This volume explains the lingo, traditions, taboos, pranks, and rituals of baseball, as well as why they're important. It calls on the insights of scouts, managers, coaches, front office personnel, and the players themselves, enabling readers to see the baseball game in a different way. **Spoke** Charles C. Alexander, 2007 Charles C. Alexander's biography of Tris Speaker chronicles the twenty-two year career of arguably the greatest centerfielder ever to play the position. It follows the colorful ballplayer through his years with the Boston Red Sox, the Cleveland Indians, the Washington Senators, and the Philadelphia Athletics, and on into his later years as minor league manager and part owner, civic activist, Indians coach, and general promoter of the National Pastime. Alexander describes not only every significant major league game in which Speaker played, but also the careers of his teammates and opponents, the baseball of their day, and the way it changed within the context of the larger world around them. Tris Speaker's reputation receives new luster in Alexander's even-handed biography of one of baseball's greats. Published by Southern Methodist University Press, this title is now available in a limited quantity exclusively from McFarland.

The Postmodern Presence Arthur Asa Berger, 1998 Instead of summing up the various perspectives of scholars and the variety of ideas to which the term postmodernism has been assigned, this text lets this diversity speak for itself. By bringing together articles and essays on the impact of the postmodern temper on an eclectic range of subjects, Berger presents a few of the many ways different theorists have come to terms with postmodernism while examining manifestations of postmodernism in the culture of everyday life. **The North Carolina Historical Review**, 2004

If you ally dependence such a referred **Our Game An American Baseball History** ebook that will allow you worth, get the completely best seller from us currently from several preferred authors.
