Our God Is One:

One God One Word Clarence G. Wilson, 2007-03 This Book shares the true Knowledge of God It gives the facts of Creation beginning with the revealing of God Himself through the revealing of the spirit beings to the creation of man It reveals the true methods of worshiping God in this life as well as revealing the coming judgments of God on the heavens and on the earth and it reveals the details of the Hereafter including Heaven and hell The oneness of God and the oneness of religion among all people is stressed to the believers of God just as He revealed it to His servants throughout the ages The defects of Christianity are revealed as well as the errors concerning the crucifixion the resurrection and the Passion of the Christ The details of God's Truth as It exists in Judaism in Hinduism in Buddhism and in Islam are also revealed Most of the Knowledge in this Book comes from Jesus himself as this Book contains more of Jesus spoken words than any other documentary on Jesus The Bible contains only a fraction of Jesus Message The rest of the Knowledge in this Book was revealed to the prophets of God as documented in the Word of God and this is the prophesized Book that must be opened in the End Times for the saving of mankind Isa 30 8 52 7 Dan 12 4 9 Hab 2 14 Rev 10 10 11 This Book is prepared as a Warning to unbelievers and as a Guide to those desiring Eternal Life

Is God One or Three? Donald Werner, 2017-07-30 Does the Godhead consist of one being or three beings The doctrine of the Trinity while supported and taught by all Christian denominations lacks Biblical evidence Yet the Scriptures are not silent on any such teachings In this book I will use hundreds of verses to positively demonstrate that as far as the Scriptures are concerned there is no Trinity The whole idea of a Trinity did not originate from the Scriptures but from the human mind If the Trinity is not true then to teach it is to blaspheme God and it is spiritual adultery to worship the Trinity We can't afford to get this wrong Jesus himself ties eternal life to knowing that God is one Reading this book will leave no doubt in your mind about the plurality of God
